

Chinese War Erupts Again

Reds Strike As Nationals Reject Terms

By Seymour Topping
Nanking, April 20—(AP)—China's dormant civil war erupted today with a furious Communist offensive along more than 400 miles of the vital Yangtze valley.

The bubble of peace, afloat for three months, had burst. The Reds struck after the government rejected their latest peace offer. This "peace offer" amounted to total surrender.

Nanking, the capital, and Hankow, major supporting base 375 miles to the southwest, seemed the first objectives of Red armies 1,000,000 strong. To meet this shock the nationalists had possibly 500,000 men.

Artillery Shakes Nanking
Nanking shook to artillery attacks from three points across the river. Communist veterans from the conquest of Manchuria were attacking on the plains before Hankow.

The first onset is designed to wipe out nationalist bridgeheads on the North Bank of the Yangtze. This great river divides the Communist north from the nationalist south.

Nowhere, in the floor of battle reports, was there mention of a crossing attempt. Government gunboats dueling with Red shore artillery both above and below Nanking.

The nationalist air force, which had helped before, was far away in the island of Formosa, a last-ditch government redoubt. There was no hint it would be thrown into the battle of the Yangtze.

It apparently was in one of these days that the British sloop Amethyst was hit by Red shells 60 miles down river from Nanking and went aground with a number of casualties.

The British Destroyer Consort also was hit trying to go to the sloop's aid. Both warships may have been mistaken for Red gunners for Chinese gunboats.

Peril To Nanking Great
The peril to Nanking was great. At least two Red divisions were reported driving on Pukow, the railroad city on the north bank opposite Nanking.

With the capture of Pukow Red artillerymen could train their guns directly on Nanking. Red advance guards were attacking a town four miles north of Pukow. This apparently was their closest approach.

But Red artillery shells, some of large caliber, were already bursting in Pukow. Observers on the south bank could see the flashes of the shell bursts. Wharves of Pukow shook to the concussion.

A number of fires broke out west of Pukow.

A second Red attack rolled up at Kiangpu, seven miles southwest of Nanking. A spokesman for the minister of national defense said gunboats were blazing away in support of the garrison.

The third attack broke east of Chinkiang, 45 miles northeast of Nanking. A number of nationalist gunboats joined in the battle here. It was in this area that the British sloop was hit.

The streets of Nanking were filled with troops moving to the front. Earthworks were being dug along the south bank.

Labor Dept. Says Earnings, Working Hours Are Sagging

Washington, April 20—(AP)—The Labor department reported tonight that factory earnings and working hours, as well as non-farm employment, sagged significantly in March.

Ewan Clague, commissioner of labor statistics, told a news conference the lag in earnings and working hours means a cut in the public's purchasing power.

He said March normally should have reflected some spring upturn in non-farm employment, and now the April figures will have to be awaited for signs of any spring recovery this year.

Clague said durable goods, which had continued strong the past few months, also is showing slackening activity because of lowered employment, working hours and earnings.

They would be between 5 and 15 years old, and assured of a suitable home and rearing when they reach this country.

The first modern geography book, in English and written for schools, appeared in 1746. Its author was the British king's geographer.

Russians Veto U.S. Scientist's Try To Check Gravity

Washington, April 20—(AP)—The Russians have vetoed an American scientist's attempt to check up on the force of gravity in the Russian-occupied zone of Germany, the scientist disclosed today.

Dr. George Wollard, of the University of Wisconsin, said the Russians had turned thumbs-down on his request to enter Potsdam to observe gravitational force there.

For more than a half century, gravity determinations made at Potsdam have constituted a kind of reference yardstick for gravity calculations in all parts of the world.

Dr. George Wollard says he has indirect evidence—accumulated during a survey of much of the world employing a new instrument—that the Potsdam figure is incorrect.

But he told a reporter that two attempts he had made at trying to get into Potsdam had failed. He said he first tried the Russian embassy in Washington and was referred to the military government at Berlin. Then, he said, he asked the director of the Geodetic Institute at Potsdam to relay his request to the military government. This was done, Wollard declared, but the military said: nothing doing.

State Will Exhume Bodies Of Infant Children Of Kings

Chicago, April 20—(AP)—The state today was given permission to exhume the bodies of two infant children of Martin and Ellen King, charged with manslaughter in the starvation death of a third child.

Chief Justice James J. McDermott of Criminal Court granted the state's request, made at the suggestion of Coroner A. L. Brodie.

Brodie said the bodies will be exhumed from Chicago's Mt. Carmel cemetery the day after he receives the order.

King, 43, an unemployed roofer, and his wife, 35, are being held for grand jury action in the death last week of their four-month-old daughter, Kathleen. Police already have filed manslaughter charges against the two.

Kathleen's tiny, dirt encrusted body was found in a crib in the King's fourth basement flat last week by a health department worker.

U.S. Army Officer Says 'Mock Trials' Staged In Germany

Washington, April 20—(AP)—An American army officer acknowledged today that "mock trials" were staged but denied that brutality was used to wring confessions from German storm troops in the Malmédy massacre case of World War II.

Lt. Col. Burton F. Ellis, the chief prosecutor, told the Senate armed services committee that the procedure was "proper" under the rules of evidence permitted by the army in Europe.

Outside the hearing room, Senator McCarthy (R-Wis.) told newsmen the Senate group appeared more concerned with a "whitewash" of the army than with getting the facts about the trials.

The committee also received an accusation, by letter, from James J. Bailey of Pittsburgh, Pa., who said he was a member of the U. S. army's confession-gathering team for 10 weeks but quit because he "could stomach it no longer."

FOXY FOX
New Barnet, Eng., April 20—(AP)—Frank W. Dovey found out today what's been happening to his chickens. A smart mother fox and her five cubs were living in a den underneath the henhouse.

Appoint Kirk Red Minister

ALL IN TOWN VOTED EXCEPT FOUR PEOPLE

Canton, Ill., April 20—(AP)—Banner Village went four votes short of having a perfect turnout in yesterday's village election.

The village, near Canton, has 127 eligible voters. Of these 123 voted, three were ill and could not go to the polls and one, election officials said, "just wouldn't vote."

Gus Davis, village president, and other People's party candidates were elected by a 2 to 1 margin.

NLRB Tells Plant To Let Employees There Organize

Washington, April 20—(AP)—The National Labor Relations Board today ordered the Peru Radiator Manufacturing Co., Peru, Ill., to "cease and desist" from interfering with its employees right to organize.

The order was entered by the NLRB with the consent of the company and the CIO industrial union of Marine and Shipbuilding Workers of America.

The company was directed to stop "discouraging membership" in the union "by discharging, laying off, or refusing to reinstate any of its employees."

The company also was directed to reimburse its employees for any loss of pay they may have suffered by reason of the company's "alleged discrimination against them."

The six employees and the amounts the company was ordered to pay each are: Marie O'Brien, \$20; Edward Ylow, \$25; Alfred Ferroni, \$25; Sam Gerace, \$200; William E. Herrmann, \$25, and Edward Retat, \$25.

Chinese Student's Wife, Unattended, Bears Triplets

Champaign, Ill., April 20—(AP)—A Chinese student's wife, alone and too frightened to call a doctor, gave birth to triplets unattended today.

The father, Chia Yung Chen, said his wife did not expect a child until August. He was away studying last night, he related, and on returning home this morning found his wife in bed with the three babies.

A doctor was summoned and the babies were taken to a hospital. One was pronounced dead on arrival and the second and third died within a few hours. Chia said his wife speaks little English, is shy and was too frightened to call a doctor in his absence.

Chia is a graduate student in chemical engineering at the University of Illinois. He came here two years ago from Chengtuszzechwan, China, and his wife followed him last winter.

Rep. Robert Coffey Killed In Plane Crash

Admitted Bigamist Sent Before Judge In Lost Boy Case

Washington, April 20—(AP)—Rep. Robert Lewis Coffey, Jr., Democrat from Johnstown, Pa., was instantly killed tonight when his jet fighter plane crashed at Albuquerque, N.M., the Air Force announced.

Coffey, 30, was a first term congressman.

He was an air reserve pilot and was on a cross country proficiency flight when the accident occurred.

The Air Force announcement said he had refueled his P-80 Shooting Star at Albuquerque and was taking off when the accident occurred.

The plane had ascended about 25 feet, lost power and crashed.

He died instantly. The Air Force announcement said. The crash occurred at 6 p.m. (CST).

Coffey had taken off from nearby Andrews Field, Md., at 8 a.m. (CST) today and had refueled once at Detroit before landing at Albuquerque.

He was enroute to Riverside, Calif. His P-80 Shooting Star crashed on the takeoff after a refueling stop at Kirtland Air Force base.

Crash crews worked more than 30 minutes pulling the body of the 30-year-old first term congressman from the twisted wreckage. Coffey was on a cross country proficiency flight.

The Air Force announcement, made by Col. S. D. Grubbs, commanding officer of the headquarters command, had no other details of the crash.

A native of Chattanooga, Tenn., Coffey attended the University of Pittsburgh and Pennsylvania State College.

Prior to World War II, in 1938, he was appointed a flying cadet and was commissioned a second lieutenant in 1940 and assigned to Langley Field, Va.

In January 1941 he was transferred to Puerto Rico and then was in the Panama Canal zone. He saw service in the European theater of operations with the Ninth Air Force.

U.S. Opens Door To USSR Peace Moves

By Francis J. Kelly
Washington, April 20—(AP)—Vice Admiral Alan G. Kirk, poker faced sailor-diplomat, was named ambassador to Russia today as the United States held the door open for any real peace move by Russia.

The assignment came in the midst of unconfirmed reports that the Russians are considering a deal which might lift the Berlin blockade.

Secretary Acheson declined to comment at his news conference today on the rumors of such Russian feelers. He called attention, however, to his comment of a week ago that all official avenues of communication are open to Russia for any appropriate discussions.

Ambassador To Belgium
Kirk, 60-year-old retired naval officer, has been serving as ambassador to Belgium and minister to Luxembourg. He succeeds Lt. Gen. Walter Bedell Smith, who asked to be relieved from the Moscow post and who now commands the First Army in New York.

In sending Kirk's nomination to the Senate, President Truman confirmed predictions, current for two weeks or more, that the ticklish job of maintaining contact with the Soviets would go to the man who commanded naval units in the invasion of Sicily and who helped map out the cross-channel invasion of Normandy.

Kirk's associates consider him a "natural" for the task. Capable of quick decisions and actions, he also is able to wait out tedious developments with an impressive countenance, pacing his energy to the work at hand.

At Moscow, Kirk will not only have the advantage of more than three years of diplomatic experience at Brussels, but also a record not identified with the toughest phases of the cold war between the Soviets and the west. This latter element was believed to have been an important consideration in his appointment to a position where he may be called upon to handle delicate and lengthy negotiations.

At the age of 60, Kirk has a naval record extending back to 1911, when he was commissioned an ensign. After early service on the China station, he advanced through the grades to rear admiral, a rank he achieved in 1941. He was executive officer of the presidential yacht Mayflower, during the latter part of the Wilson and the beginning of the Harding administrations.

He retired from the navy in 1946 accepting appointment as ambassador to Belgium the same year. He is a native of Philadelphia and now a legal resident of Connecticut.

Colored Margarine Spreads Its Case Before Senators

Springfield, Ill., April 20—(AP)—Supporters of legislation to permit sale of colored margarine spread their case today before the Illinois senate agriculture committee.

Only proponents of housewives, home economists and soybean industry spokesmen—were heard. But protectors of the dairy cow managed to get in a few licks.

Senator Elbert S. Smith (R-DeCATUR), one of the bill's sponsors, said its purpose is to repeal a 52 year old law banning sale of colored margarine and to put oleo on an equal footing with other foods.

Soybean industry spokesmen said Illinois is one of only 18 among the "dwindling number of states clinging to this outgrown law." Neighboring states of Michigan, Indiana, Kentucky and Missouri permit sale of colored margarine.

Robertvaue, April 20—(AP)—Winter returned today to this St. Lawrence North Shore district with a snowfall of 13 inches.

Illinois House Committee Okays Bill To Outlaw Reds

Springfield, Ill., April 20—(AP)—A Senate-approved bill to outlaw communism in Illinois cleared its first hurdle today in the House.

By a vote of 14 to 10, the House Judiciary committee gave the measure an O. K. and sent it to the floor for action. Three members voted present.

The bill would make it a felony, punishable by one to five years imprisonment, to belong to the communist party or a communist front organization.

The committee also endorsed two of the other so-called Broyles bills after a three and a half hour hearing before packed galleries in the House chamber.

These two proposals, also passed by the Senate, provide for dismissal of teachers advocating subversive doctrines in the classroom and for barring from public office persons affiliated with communists or communist front organizations.

Before the roll calls were taken, the committee refused to hear testimony from two witnesses who refused to answer whether they now belong, or previously belonged, to the communist party.

However, the legislators consented to hear a man who gave his name as Edward Starr of Maywood, and identified himself as legislative chairman of the state communist party.

Starr said a "substantial majority" of Illinois citizens had expressed disapproval of the bills which he contended would "destroy our remaining freedoms."

"All groups which seek social betterment would be its victims," he said.

Starr was ordered from the stand by Committee Chairman T. J. Sullivan (D-Springfield) before he completed his statement.

Rep. G. William Horsley (R-Springfield), a committee member, asked Starr whether he would support the United States in a war against Russia.

The witness said the communist party has "made its position plain," and started to elaborate. Horsley insisted on a direct answer, and when Starr continued to talk in general terms, Sullivan directed him to leave.

Tells Peace Meet U.S. Negroes Would Not Fight Soviets

Paris, April 20—(AP)—Paul Robeson, American negro singer, told the Communist-inspired World Peace Congress today that American negroes would never fight the Soviet Union.

His resonant voice injected the first fire into an otherwise monotonous opening session that heard repeated attacks on the Atlantic pact, the U. S. atomic policy, the Marshall plan and "Anglo-American capitalist imperialism" from a series of speakers.

Robeson brought the 2,000 delegates from 52 or more countries to their feet in cheering applause with his call for a "fight for friendship" with Russia, the "eastern democracies and a free China."

He ended his appearance by singing a re-write of "Ole Man River" which substituted the words "show a little grit" for "git a little drunk."

"I bring you a message from the negro people of America that they do not want a war which would send them back into a new kind of slavery," Robeson told the congress.

He declared President Truman's program for colonial development, coupled with what he called the invasion of Africa by former Secretary of State Edward Stettinius "and his millions," meant new slavery for Africans.

Find Tied, Gagged Body Of Missing Exchange Cashier

Wheaton, Ill., April 20—(AP)—The bound and gagged body of a man believed to be a missing Chicago Currency Exchange cashier was found beside the highway near here today. He had been stabbed to death.

Sheriff Elmer J. Hoffman said the man carried cards in his wallet bearing the name of Rolf O. Dreng, 34, Chicago, cashier for Regal Currency Exchanges, Inc.

Abraham Greenfield, president of the currency exchange company which operates 12 branches, reported to police last Friday that Dreng had disappeared from his exchange and that \$11,658 was missing.

Hoffman said the victim had been stabbed twice. One of the wounds penetrated the heart and the other was alongside the heart, he said.

The victim's mouth was taped and his arms were tied behind his back, Hoffman said.

The sheriff said the body was discovered at 3:45 p.m. (CST) alongside Butterfield road about four miles southwest of Wheaton by county highway employees.

House Passes Bill Increasing County Dependent Funds

Springfield, Ill., April 20—(AP)—The Illinois House today passed and sent to the Senate a bill increasing from \$40 to \$50 the limit on county payments to dependent, neglected or delinquent children.

It did the same on a bill uniting the State Labor department's job finding and jobless pay agencies.

The Senate passed and sent to the House a bill limiting the number of apprentice barbers to one for each shop. Present law allows one for each registered barber.

Bills providing \$727,515 for completion of improvements at state institutions in four cities went to the Senate with a House okay.

They include sums for water survey buildings in Peoria and Urbana and employes buildings at hospitals in Elgin and Lincoln.

Two Democratic Senators from Chicago brought in a bill to force liability insurance companies to accept dram shop insurance. Only one company now issues such policies. Liquor retailers have used that as an argument in their current drive to relax the dram shop law which makes them liable for damages caused by people who get drunk from liquor they sold.

TWO ARRESTED FOR POSSESSING NARCOTICS
Galesburg, Ill., April 20—(AP)—A man and woman were under arrest today on charges of possessing narcotics. Police said they are James Robert Calhoun, 33, of Shreveport, La., and Virginia Hutchinson, 29, of St. Elmo, Ill., and 4060 McPherson street, St. Louis, Mo. They were seized on information supplied by federal authorities at Springfield, Ill.

CO-PILOT SUCKED OUT OF PLANE DOOR

Fairbanks, Alaska, April 20—(AP)—An air transport co-pilot who tried to stuff a blanket around the plane's drafty door was jerked out to an almost certain death over Alaska waters last night.

The victim was Dave Huycke of Los Angeles, making his third trip as a crew member of a Sourdough Air Transport Company C-47.

A. R. Johanson, the airline owner, said the pilot Ed Brenner reported that Huycke unfastened the door, planning to latch it to hold the blanket in place. In just a split second it jerked him outward into space.

CAT, TWO KITTENS LIVE IN APPLE TREE

Hudson, Mass., April 20—(AP)—A mother cat and two newborn kittens were cuddled cozily today in a bird's nest, 20 feet up in an apple tree.

Mr. and Mrs. Harold Lamburn found the family yesterday after a two-day search for their pet.

They said the nest was in a large hollow of the tree.

Sharing the kit's nest are two birds eggs.

IC Railroad Repair Shop Burns; Loss Set At \$100,000

Waterloo, Ia., April 20—(AP)—Fire destroyed the Illinois Central railroad car repair shed here tonight, and officials estimated the damage at \$100,000.

About 15 cars, both freight and passenger, and at least one locomotive were in the "umbra" type shed, which had no sides, officials said. One of the cars was a coach from the streamliner "Land of Corn." All were destroyed.

Hundreds of spectators from Waterloo and nearby towns crowded the area to watch firemen's efforts. Spectators reported the blaze was visible in Cedar Falls, eight miles away. Flames shot into the air 100 feet or more.

The blaze was well under way when discovered about 7:30 p.m. The building, 72 by 378 feet, was a total loss.

Firemen, succeeded in keeping the fire from spreading to the nearby mill room and machine shop and another room where acetylene was stored.

Britain Attacks Communist Trials Of Clergy In U.N.

Lake Success, April 20—(AP)—Britain attacked the iron curtain trials of churchmen today as a fresh phase of communist opposition to religion and free thought.

Sir Alexander Cadogan, British delegate, told the special political committee of the U. N. assembly that Britain joins the United States in supporting a Bolivian move to keep the cases before the U. N. until the September assembly.

This would permit the U. N. to act if nothing comes of proposals to settle the disputes over the religious trials through the peace treaties with Bulgaria and Hungary.

The committee is debating what to do about the trials of Josef Cardinal Mindszenty of Hungary and of 15 Protestant clergymen in Bulgaria.

Australia demanded the U. N. set up a special investigating committee to be sent to Europe and inquire into the situation.

7,500 Leave Jobs In Bendix Plant After Strike Vote

South Bend, Ind., April 20—(AP)—A federal mediator failed to bring union and management together today and some 7,500 CIO-United Auto Workers left their jobs in the Bendix Aviation Corporation plant here.

In accordance with a strike vote taken last week the workers walked out at 10 a.m. (Central Standard Time).

At that hour the mediator was attempting to bring about further conferences to end the stalemate which developed when the company rejected a three-point ultimatum handed it Monday by Emil Mazey of Detroit, the union's international secretary.

James McEwan, vice president of the union local, said company officials "would not budge."

Millard E. Stone, the company's industrial relations director, said the union's demands "were rejected as wholly unwarranted and the union was so advised."

Four Arrested In Dope Conspiracy

Chicago, April 20—(AP)—Four persons were indicted today by a federal grand jury on a charge of conspiring to send 53 pounds of marijuana from Alamo, Tex., to Park Ridge, Ill., a Chicago suburb.

THOSE ARGENTINA DECORATIONS
The army has asked Congress to permit Major General Harry H. Vaughan White House aid, and 86 other officers to receive decorations from Argentina. The officers hesitated to accept them because the Peron government has been frequently at odds with the United States and has been denounced as a fascist dictatorship.
So long as an officer is allowed to receive foreign decorations we see no reason why Argentina should be excluded. Acceptance does not imply that you approve all of the policies of the government honoring you.
The Argentine government has perpetrated some policies which strike us as destructive of democracy and freedom, but South America has never had a perfect democracy and it may be that Peron is the best that anti-Communist forces can hope for at this time. There is no ideal alternative. Liberals or middle-roads are very scarce in Argentina.
If we ever get into real trouble with Argentina, holders of Argentine decorations can throw them into the nearest garbage can. Meantime, the prospects are more likely that in real trouble Argentina will be on our side.
But that should not be the governing factor, as we see it. So long as the decorations are bestowed purely for purposes of military recognition and courtesy, there is no reason why we should get excited about them.

AN APPRECIATION
This is to convey my sincere thanks to the voters of Jacksonville for their support in Tuesday's election.

State Hospital Plans Open House To Mark Mental Health Week

Open house will be held Sunday at the Jacksonville State hospital in connection with National Mental Health Week, being observed throughout the county April 24 to April 30.
Hospital authorities have extended a general invitation to the public to visit the hospital on that day between 2 and 4 o'clock.
Dr. James L. Smith, managing officer, said the various departments will have exhibits on display and guides will be on hand to conduct the public on a tour through many of the buildings.

The State Hospital band, under the direction of Bernard Strongman, will present a concert, beginning at two o'clock.
Exhibits In Gymnasium
The exhibits will be on display in the gymnasium. Among the interesting things to be shown are some antiquated methods of "treatment" for mentally ill, including a ball and chain believed to have been used about 100 years ago.
One of the features of the exhibits will be the display of work by patients in occupational therapy and light industry.
Mrs. Hazel Love is chief occupational therapist in charge of this department, in which there are 550 patients and 25 employees.
Handicrafts, painting, weaving, dressmaking, tailoring, broom shop, mattress factory, upholstering, drapery, mending, shoe shop and furniture repair are included in this department.

Hospital Uses Articles
All of the articles made in this department are used at the hospital. The large scale on which this department is operated is illustrated by the fact that it supplies all the sheets for the hospital. More than 5,000 of these sheets are used every 24 hours in infirmaries alone.
The recreation department, which is under the direction of Cecil Manning, is another which will have an exhibit.
There are 630 patients and 15 employees in this department, where recreational activities and entertainment are planned for special classes as well as for the entire group.
Walking, roller skating and gym comprise the activities for the eight special classes. Also included in the recreational therapy program are movies, dances, card parties, baseball and horseshoe pitching.

Holidays Are Special
Special celebrations are planned for every holiday. Outside entertainment is also provided by various groups, such as the Elks club and the Red Cross.
A former chief nurse at the hospital said that Jacksonville State hospital has more old able-bodied men and women out of beds and infirmaries than any other institution in the state. This she attributes to the work being done in recreational therapy.
Another function of this department is to arrange for church services. Eleven ministers of the local Ministerial Association conduct services at the hospital, each serving a month at a time.
Services For All
Mass is said at 8 a.m. every Sunday; services for the colored patients are at 10 a.m.; Protestant services are at 2 p.m.; and Lutheran services are at 3 p.m. Services for the Jewish patients are held on Saturday.
The dietary department, which plans approximately 3,944,079 meals per year, will also have an exhibit. The menu for a single meal planned by this department, which is under the direction of Dorothy Lukeman, include 1650 lbs. of beef

roast, 1800 lbs. of pork roast, 1100 lbs. frankfurters, 600 lbs. of liver, 1200 lbs. of bacon or fresh side pork, 3600 lbs. of chicken, 3400 lbs. of turkey, 35 bu. of potatoes, 6,500 cookies, 8,000 rolls, 800 pies, 650 loaves of bread, 500 gal. of coffee, 75 lbs. of butterine, 225 gal. milk, 200 gal. canned fruits or vegetables, 500 dz. eggs, 260 gal. ice cream and 7,000 doughnuts.
Another of the departments which will have an exhibit is the power plant, which generates power for the entire hospital. The plant is one of many such ultra-modern plants to be erected in the state.
All Power Except Water
Clarence Wooten is in charge of the plant, which is operated 24 hours a day. The hospital is entirely dependent upon the plant for all of its power, except water, which is obtained through city facilities.
With the third largest fuel consumption in the state, the plant has capacity for storage 17 carloads of coal.
The laundry department, which is managed by L. H. Brown, laundry foreman no. 2, will also have an exhibit. This department, with 125 patients and 23 employees, handles between 50 and 60 tons of wash each week.
Another department to be featured in the exhibits is the farm and garden department, with Lawrence Rawlings as the head farmer and Charles Ornellas as the head gardener.
Latest Milking Machine
This department has one of the most fully equipped and modern dairies in the state, complete with the latest type of milking machine. All food products is used at the hospital, supplemented by outside purchases. The value of food produced there last year was \$218,817.00.
Wilfred Young, whose father was rated as No. 1 florist in the state, is in charge of the greenhouse, which will also have an exhibit.
The greenhouse, one of the finest in the state, has banana and lemon trees and two pet alligators as special attractions.
Vets Unit In Tour
The tour will include all of these departments as well as many of the new and modern buildings used by the veterans.
The new veteran's hospital is one of the highlights of the tour. An attractive red brick building, it is as beautiful inside as out. Completely modern in design, the hospital has facilities for the latest therapeutic treatment.
An adjoining building in the veteran's unit is the soldier's school, which houses the recreational unit as well as the occupational therapy unit.
Also included on the tour is the administration building, which is 102 years old. In this building are the doctor's offices, the business offices, the medical staff room and the hospital's own post office.
An annex building, which is about three blocks long, was once featured

in Robert Ripley's column as having the longest roof over a three-story building in the world.

Elmer L. Pate, 28, Of Versailles Dies Tuesday

Elmer LeRoy Pate, 28 year old Versailles farmer, died Tuesday at 11:55 p.m. at Passavant hospital.
Mr. Pate was born in Versailles on March 21, 1921, the son of Fred and Rosa Schmidt Pate. He was united in marriage with Velma Irene Griewe at Hannibal, Mo., in September of 1942.
To this union were born two children, Connie Lee, now five years old, and Linda, two years old.
The decedent was a member of Zion Lutheran church at Versailles.
The body was taken to the Gilham Funeral Home and later removed to the Tarrant Funeral Home in Versailles.
Funeral services will be held Friday at 2 p.m. at the Hebron Lutheran church. Burial will be in Hebron cemetery.

George C. Yates, Retired Farmer, Dies At Virginia

Virginia—George C. Yates, retired farmer, died Wednesday at 7:40 a.m. at his home, four miles west of Virginia. He had been in ill health for the past two years.
Mr. Yates was born in Edmondson, Ky., on Jan. 15, 1893. For the past 25 years, he had resided in Illinois.
Surviving are his wife, Varine; five children, Nadine, E. C. and Beth, all of home, Rex of Sherman and Wayne of Tulsa; and two sisters, Eugene and Zilnah, both of Virginia.
The body is at the Massie Funeral Home in Virginia. Funeral services will be conducted Friday afternoon at 2:30 o'clock at the funeral home with the Rev. H. Daugherty, pastor of the Shiloh Presbyterian church officiating. Burial will be in Walnut Ridge cemetery.

Victims Of Throat Cancer Learn How To Talk Again

By Hal Boyle
New York—(AP)—In a small hospital lecture room a dozen adults were earnestly trying to burp together.
"Come on, out with it now!" urged their teacher, a big, genial, florid-faced man with a scar on his throat.
"Buh-buh-buh—uhhhrrrrp!" said the class.
"Figs," said the big man. "Now—buh-buh-buh-buh-buy!"
"Good. Now—buh-buh-buh-buy! And put your body into it."
"Buh-buh-buh-buy!" chanted the class.
Each of the ten men and two women in the class had a scar on the throat. Each had survived an operation for cancer of the larynx—the late Damon Runyon's ailment. Each had lost his voice box.
One night a week they came to this class and struggled to learn to talk again. And they did it by first learning to burp.
Burp, Belch Differ
"A burp is different from a belch," explained their teacher, Dan Meenan, a former Wall Street broker who also used to coach basketball at Columbia university.
"A belch is involuntary. It comes from the stomach. The burp is voluntary. It comes from the esophagus. You just have to make your gullet take the place of your voice box."
"Swallow some air. Then force it from your stomach up through your esophagus. Once you learn to make this burp sound, your tongue, teeth and lips can take it over. They can shape this one sound into any word you ever knew."
Most of the class were middle-aged or elderly. Cancer of the larynx rarely strikes young people. In the class were a truck driver, a factory worker, a white-haired Irish factory supervisor, a retired woman school teacher, a Tennessee housewife, a 64-year-old textile manufacturer.
Report On Progress
One by one they got up and made progress reports.
"I have gone...back to work...on the same job I held...for 37 years," said a small elderly man who worked for a public utilities company. "I even use...the telephone...now."
After the class ended, Meenan explained how he himself, after surviving a series of five throat operations, had become interested in teaching victims of cancer of the larynx to talk again.

"Anyone with courage and stick-to-it-iveness can do it," he said. "And most can go back to their old jobs. I've taught some 300 people. "But there are only four classes of this kind in the country. There should be many more. Cancer of the larynx used to be almost 100 per cent fatal. Now, if they detect it early, they cure 85 per cent of the cases. "If you have to get cancer, pray you get it in your throat."

THE DOCTOR SAYS We Owe Data On Blood Circulation To Wm. Harvey.

By EDWIN P. JORDAN, M. D.
Written for NEA Service

Until 1628 when William Harvey publicized his famous paper written in Latin, the manner in which the blood circulates through the body was not correctly understood.

William Harvey made careful studies of anatomy in animals and human beings and came to the conclusion that the previous explanation regarding circulation was not correct. He carried out studies on animals which conclusively proved the relations between the heart and lungs and the differences between arteries and veins.

For the first time the functions of the different chambers of the heart and the heart valves were understood. Harvey described just what happened when the heart contracted and relaxed.

To this great investigator we really owe our knowledge of how the blood is pumped out of the heart to the lungs, where it is given oxygen, and out again to the arteries, reaching all parts of the body.

After passing through the bed of fine blood vessels, called capillaries, the blood is then returned to the heart through the veins.

Effects Far-Reaching
Harvey, of course, did not know everything that we know now about circulation, such as the chemical exchange of oxygen and carbon dioxide. His studies, however, revolutionized medical ideas and had far-reaching effects not only in the treatment of all heart conditions and diseases of circulation, but also in all other fields of medical research.

FREED FROM HARSH LAXATIVES

"I used to take laxatives regularly—until I started eating KELLG'S ALL-BRAN daily. That was 22 years ago. ALL-BRAN still keeps me regular!" Clarence M. Smith, 3201 St. Paul Avenue, Madison, Wis. The views advanced by Harvey did not receive acceptance at once. But the weight of opinion gradually came over to his side and his studies and experiments are now considered to be one of the great classics of medical progress.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

By Edwin P. Jordan, M. D.
Question. Fourteen days following an operation, I developed phlebitis in both legs. After three months it has not yet gone away.

Answer. This is an unfortunate complication which is often difficult to cure entirely. Infection elsewhere in the body such as an abscessed tooth, must be searched for, and if found, properly treated. Other steps which can be taken depend on what particular veins are involved and the results of careful general tests.

Inter-Club Rifle Match Staged At Washington School

The weekly inter-club rifle match of the Jacksonville Rifle club was fired at the Washington school range. Dr. Friedrich Engelbach shot the highest individual score for the evening.

The winning team was comprised of Dr. Engelbach, with a score of 377; John Marshall, 360; Fred Chadwick, 355; and John Savoie, 352. The team's total score was 1445.

A total of 1432 was scored by the losing team, which was comprised of Alvin Marshall, 372; Bob Freeman, 359; Roy DeSilva, 353; and Bob Foster, 348.

On Friday evening, April 22, the Abe Lincoln Rifle club of Springfield will be guests of the local club and will attempt to even up its team standing. Jacksonville now holds the edge 1 to 0.

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop.
Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit.
How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs.

Break the laxative habit... with Carter's Pills... and be regular naturally.

When worry, overeating, overwork makes you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit. Get Carter's Pills at any drugstore for 33¢ today. You'll be grateful the rest of your life.

Ways to Save

If you were a descendant of the mutineers of the "Bounty," who married native girls and settled on Pitcairn Island, your "wealth" would be turtle meat. You would save the surplus food from turtle hunts by filling coconut shells with the meat preserved in turtle fat. Your meat "savings" could be bartered for clothing, shelter or other food, just like we save and use money here.

At Jacksonville Savings & Loan Association your savings are safe, and they steadily grow because of the profit they earn, and you are not constantly tempted to use them in a feast. It's easy and pleasant to save money at Jacksonville Savings & Loan Association. Stop in and let us explain.

ROGER THE LODGER
By Elizabeth R. Roberts
COPYRIGHT BY GREENBERG PUBLISHERS, INC. DISTRIBUTED BY NEA SERVICE, INC.

THE STORY: Roger is a problem lodger at the home of Mr. and Mrs. Roberts. His latest escapade was a party for three Russian colonists and their wives. Roger had planned to cement Russo-American friendship, but the relations may have been slightly strained. However, Roger comes out of the affair with a promotion to captain.

XXVII
WITH his captain's bars, Roger also got leave to go home. "Mary would be a good deal of help to you in this big house," he said, solicitous as always of his welfare. "I think I should bring her back with me." (Bill's and the guest room were at the moment unoccupied.) Then, as usual, Roger tipped his hand. "My bitter half and two public enemies have visited my mother about long enough. Both sides are crying 'quits.' I've got to do something about it." He considered this for a minute; I suppose he was considering it, for he knit his black brows and stared fixedly out of the window. "We could manage here very nicely with you and The Little Man. You'd like Mary," he concluded, temptingly.

Whether I'd like Mary or I wouldn't like Mary was entirely beside the point. What I wouldn't like would be shifting sides and having Robbie and me lodging and at the mercy of Roger in our own house—or, rather, more at his mercy than we already were.

I was in an open frame of mind when a friend asked if we'd take in a couple, an Air Corps major and his wife. "Older people, settled and responsible," my friend said.

They were older and they were responsible. Major Capner was an instructor, bald, on the round side, with a spare chin, and he said he was 38 years old. Their only child, a boy of 14, was in boarding school in Massachusetts and Molly had rented her house furnished in order to gypsy around

earphones there and tuned in on a Sunday broadcast while we watched the earth slide by beneath.

I learned that Montana is pocked with small lakes and water holes; that strip farming, in winter, looks like giant zebra skins staked out to dry, with stripes running parallel for a distance, then shooting off at crazy angles as though for leg or neck.

THE wings tipped, one side and then the other. This was our signal to report. We scrambled up through the hatch and took our places, like lackeys, behind the pilots.

"Where do you want to go?" the Major shouted above the roar of the motors.

"Glacier Park," I shouted, pointing ahead to the shining mountains. He tipped the wings slightly to say "Roger" and, to my consternation, let go his controls, took the earphones from his head, backed out of his place, and motioned me to sit down.

"NO!" I shouted. "Not me, NO!" Molly prodded from behind, the co-pilot nodded encouragingly, and Major pushed me into his vacant chair. He held the earphones while he pointed to the instrument panel. "See that line?" he shouted. "Just keep the level true to it." He pointed to a simple gauge which had a stationary line running across it. A free line indicated the angle of the ship's position in relation to the horizon. When the ship was on absolutely even keel, it fell into position with the stationary line.

He pointed to the pedals on which he now placed my feet, pressing down first with the left a little, which dipped the port wing slightly, and then with the right, which dipped the starboard wing. "See how easy it is?" he shouted. Before I could draw breath to shout "NO," he grabbed the wheel and, pushing it down, pitched the plane straight for the earth. Raising it, he righted the ship. "Easy, isn't it?" he shouted. "All you have to know. Now, let's see you fly 'em." He placed the earphones over my head and to my ears. Then he backed away.

Legion To Join Grotto Parade Here Saturday

The American Legion color guard will participate in the Grotto parade to be held here Saturday night. The invitation to march in the parade was extended by Fred Bailey and accepted Tuesday night at the regular Legion meeting.

Commander Glenn Spencer presided.

Deane L. Cannell, past finance officer, was given a brief case for services given to the post during his tenure.

Al W. Hall, county chairman of the Morgan county cancer drive, thanked the Legion for its support of this year's campaign. Eddie Brennan, Junior Legion baseball commissioner, announced that the post would organize a first class team to compete in the junior league this summer. He requested that all boys would like to play get in touch with him at the American Legion Home.

Virgil Lee Hayes was accepted as a new member and the Rev. Arthur

F. Ewert was reinstated.

The sick call report showed Dallas Whitehurst ill at Our Saviours, Sterling Collins ill at Passavant hospital and Earl White convalescing at his home.

Radio Nightingale Fails To Delight Critic, Audience

By Joachim Stenzel
In the last concert of the season members of the Jacksonville Civic Music Association heard Jean Dickenson, star of the popular radio program "The American Album of Familiar Music," and the majority of her listeners left the Jacksonville High school auditorium in keen disappointment.

The charming singer made a very attractive picture on the stage; but from the musical viewpoint it would certainly have been better for "The Nightingale of the Airways" to stay on the airways instead of venturing into a concert hall. Miss Dickenson's voice belongs behind a microphone, with a good sound-engineer twisting the dials—she reminded me of a souped-up guitar with the current turned off most of the time.

The selections that Miss Dickenson presented here fall into a rather monotonous pattern: she is at her best in coloratura pieces with bell-like or flute-like sequences, where her strong consonants and vague intonation are less noticeable; and light numbers like Eckert's "Swiss Echo Song," with its clever imitation of yodelling, or Stephen Foster's "Some Folks," went over best with an audience that was cold until the very last. It awoke from its lethargy barely in time to demand three encores (among them Schubert's "Ave Maria").

It must be regretted that only one operation number was included in the entire program; in fact, we felt that no truly great music was offered during the evening, although a few of the numbers, such as Adam's arrangement of Mozart's "Theme and Variations" and some of the contemporary works probably had not been heard here before.

MRS. BAIRD HOSTESS TO CHATTER CLUB
Winchester—Members of the Chatter club were entertained April 14 by Mrs. Amelia Baird at her home. The meeting opened by singing "Onward Christian Soldiers," after which the pledge to the flag was repeated. Mrs. Derald Baird was welcomed into membership of the club.

The social hour was in charge of Mary Jones, featured by the playing of bongo. Gwendolyn Baird won high score; Frieda Balke, low, and Lucy Jones, floating prize.

Guests were Mrs. Derald Baird, Gail, Patsy and Betty Jones, Jimmie Baird, Alice Marie Lawless and Leona Wallis.

Ashland Seniors To Present Play

Ashland—May 3 has been chosen as the date for the senior class play "Could Be." The cast has been rehearsing during the eighth periods and night practice has started. Mrs. Paul stated that the three-act comedy will probably last about two hours and fifteen minutes.

A Good Friday night service under the auspices of the Methodist and Baptist churches was held last Friday in the Baptist church. The choir of both churches provided music, and both Rev. Harding and Rev. Anderson delivered appropriate messages.

The term "Fifth Column" originated with Spain's General Franco when he was advancing on Madrid in 1939 and declared he was attacking with four columns outside the city and a "fifth column" within.

Hosiery Hoop-la

Fancy decorations are the last word in stocking design. Personalized clock embroidered vertically on stocking (upper right) spells out "Lucky." Flamingo and bird design embroidered in chenille makes a three-dimensional clock for hosiery (lower left). Multi-colored velour polka dots, specially processed for washability, are hand-applied on ultra-sheer nylons (lower right). Another eye-catching novelty is the baroque bordered cut-out on the ankle (upper left) which frames a tiny ankle watch. Baroque pattern is hand-applied in bright-colored velour.

ASHLAND

Ashland—Several women from here attended a tea given by Mrs. William E. Burns, Mrs. M. Mahoney, Mrs. Henry Jacobs and Mrs. Bernita Farrar at Mrs. Jacobs home in Virginia last Saturday afternoon. Announcement was made of the engagements of Joan Burns, daughter of Mr. and Mrs. W. E. Burns, and Jean Farrar, daughter of Mr. and Mrs. Farrar, both of Virginia. Those from here were Mrs. Bill Newell, Mrs. William Newell, Mrs. John Leahy, Mrs. H. G. Way, Mrs. Ernest Duncanson, Mrs. G. A. Sinclair, Mrs. Glyn Jones, Mrs. H. A. Volsmier, Mrs. Elsie Thornley, Mrs. Tim Leahy, and the Misses Martha Velten, Lorena Bailey, Julia Hewitt and Elsie Carl.

Robert Edwards of Gilman, Ill., sent the week end at the home of his parents, Mr. and Mrs. Lester Edwards.

Walter S. Creed has returned to his home from the Memorial hospital, Springfield, where he had been a medical patient for the past two weeks.

Mrs. Hannah Collins is a patient in St. John's hospital, Springfield.

Mr. and Mrs. Ralph Bryant and children of Maywood, Ill., Mr. and Mrs. James Weakley and sons of Beason and Mr. and Mrs. Harold Evans of this city spent Sunday at the home of their mother, Mrs. Ruth Bryant.

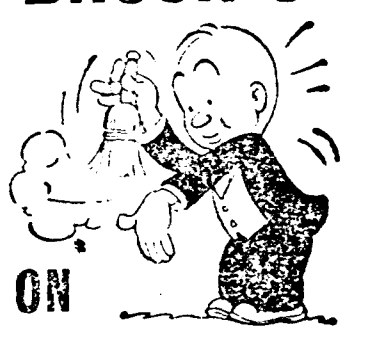

Mrs. Herschel Tedder and children and Mr. and Mrs. Tom Epper-

son of Girard spent last Saturday in this city calling on friends. Miss Geraldine Staley, R. N., of the Hines hospital, near Chicago, spent the week end at the home of her mother, Mrs. Doty Staley.

The superstition that finding a horseshoe and nailing it over the door brings good luck appears to be merely a modification of a belief in early times when horseshoes were rare and were believed to have a protective charm.

Tattoo marks can be removed only by removing the skin itself.

Marquette Park Has Many Attractions

Since the opening of its lodge eight years ago, Pere Marquette state park in Illinois has steadily increased in popularity as a vacation resort for people from all parts of the United States. Situated near Grafton, Ill., at the confluence of the Illinois and Mississippi rivers, the park embraces more than 5,000 acres and is the largest in the state system.

Within the next few weeks, the park will be at the height of its annual springtime grandeur. Here, on high rolling well timbered bluffs, the dogwood will be in bloom, the dogwood's showy white blossoms will be at their best and in a matter of days, thousands of acres of apple orchards in nearby regions will be in full flower.

Named For Explorer

Rich in historical associations, the park was named for the great French explorer-priest, Father Jacques Marquette, the first white man to set foot on Illinois soil in 1673 when it was the home of the Illini and Potawatomi Indians. Before them, even more primitive folk inhabited earthen huts and decorated their weapons and utensils with figures strangely akin to those found in the pyramids of Egypt. Signal, burial and house mounds found in this vicinity contained arrowheads, axes and pipes of excellent workmanship.

Nearby, according to legend, was the home of the Piasa bird, and evil "Manitou" who devoured the warriors of the Illini. Around this "bird of evil" grew many stories. Father Marquette, on his trip down the Mississippi which was to end in discovery of the Illinois country, was impressed with the Indians' portraits of their dragon. "As we coasted along the rocks frightful from their height and vastness," he wrote in his journal, "we saw upon them two monsters that alarmed us at first sight and upon which some of the most courageous savages (Indian guides) dared not for a long time fasten their eyes." His description of these primitive paintings, portraying creatures "with horns like a deer, frightful red eyes, bearded like a tiger, a face something like a man's, the body covered with scales" leaves little doubt that he was the first white man to come in contact with the legend of the Piasa.

Paintings On Bluff

Today, near the park, one may find a replica of these pictures, painted on a rock bordering the Mississippi. A short distance from the park entrance, along the state highway, a large stone cross marks the point where Marquette, Louis Joliet, and their party of five Frenchmen, first disembarked on Illinois soil. The parksite is closely associated with the French, Spanish, English and other early epochs of the state's history. Passing here in April, 1831, steering his flatboat on its way to New Orleans, was young Abraham Lincoln.

Near the main entrance of the park is the lodge which commands a sweeping view of the surrounding countryside. The lodge is constructed of native limestone and massive timbers and back of it are seven guest houses. Like the lodge, guest houses are open the year around, making 40 rooms available.

Trails and Picnic Area
At the foot of the park on the Illinois river is a dock for excursion boats and privately owned craft. Boats are available here for fishermen. There are many miles of nature trails, fourteen miles of bridal paths, picnic tables, outdoor stoves and shelters throughout the park for visitors. The motor road winds to a parking area in the heights

Carrollton Man Is Named Officer In Masonic Lodge

Chicago, April 19—(P)—Walter W. Taylor of Chicago was elected most excellent grand high priest of the grand chapter of the Royal Arch Masons of Illinois today.

The chapter is holding its 100th convocation at the La Salle Hotel. Highlight of the program will be the annual banquet tonight. The meetings will end at noon tomorrow.

Other officers chosen today were: William F. Gamill of Gays, right excellent deputy grand high priest; Robert E. McLou, Springfield, right excellent grand king;

Orville T. Byler, Elmhurst, right excellent grand scribe; Stuart E. Pierson, Carrollton, right excellent grand treasurer; and Edward E. Core, Dixon, right excellent grand secretary.

Pierson and Core were re-elected.

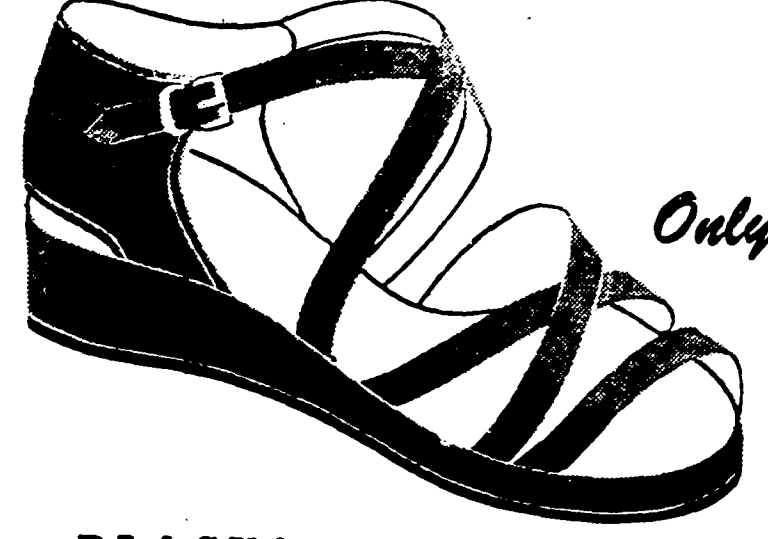

The horseshoe was regarded as a charm against witchcraft during the middle ages.

Tattooing was once common among primitive peoples in various parts of the world.

Haven't You Been On Television—Really?

By HAL BOYLE
New York—(AP)—Is television any more than keeping your mouth a-wide and your eyes a-gleam? I don't know for sure except I've been on the darn thing. That is, I've been on a television program.

Just how to talk to the rest of you who haven't had this adventure I'm not sure. After all, you don't know, do you?
In other words, life has passed you by. And I, like a good fellow want to tell you what it's like.
I would say there are two ways to meet television—male and female. I am a male. That is the downstairs technique. You sit there on a couch until the program starts.

Ah, but if you are female! That is a different matter. That is the technique above. The lady goes up stairs and gets herself over-hauled—as if a simple thing like that would surprise you when she came down.

It Does Surprise You
But it does surprise you. If it doesn't—you are no gentleman at all. It is like little girls running up the steps and playing Mama Red Indian. When the girls come hop-pity-step down, you just have to mention that Miami sunburn on their faces.

Of course the selfish male—and what male isn't selfish?—may wonder why they don't bother to put an indoor tan on his face. The answer is very simple. Who cares about him anyway?

At the present stage of television the only people who take care to see that they look right on revision are those who earn their daily bread that way. And guest ladies. You know guest ladies always want things done right.

And guest men? Well, I was a guest man. There I was—and what was I to say?

They don't tell you that. All of a sudden the lights come on. The lights really come on under television. They come on fast and hard.

What Will Posterity Think?

And all of a moment there you are with two or three cameras pointed at you waiting for you to say something important. And all you can think is "what will posterity think?"

And posterity isn't even on the program—that is one thing that isn't scheduled by television yet.

Well, you are between two girls and you are supposed to be talking about a book called "How to be Happy While Single."

And you say you don't think anybody can be ecstatically happy single or any other way. And the lights get hotter and the questions come faster and finally you wind up trying to defend this idea:

"Everybody has to be lonely in this world, but marriage makes it possible for two people who like or respect each other to be less lonely together."

After that I lost all sense of television. I was up to my ears in female argument. Not an unfamiliar position, either, for a man married night twelve happy years.

"The Car Designed with YOU in Mind" is changing a lot of minds!

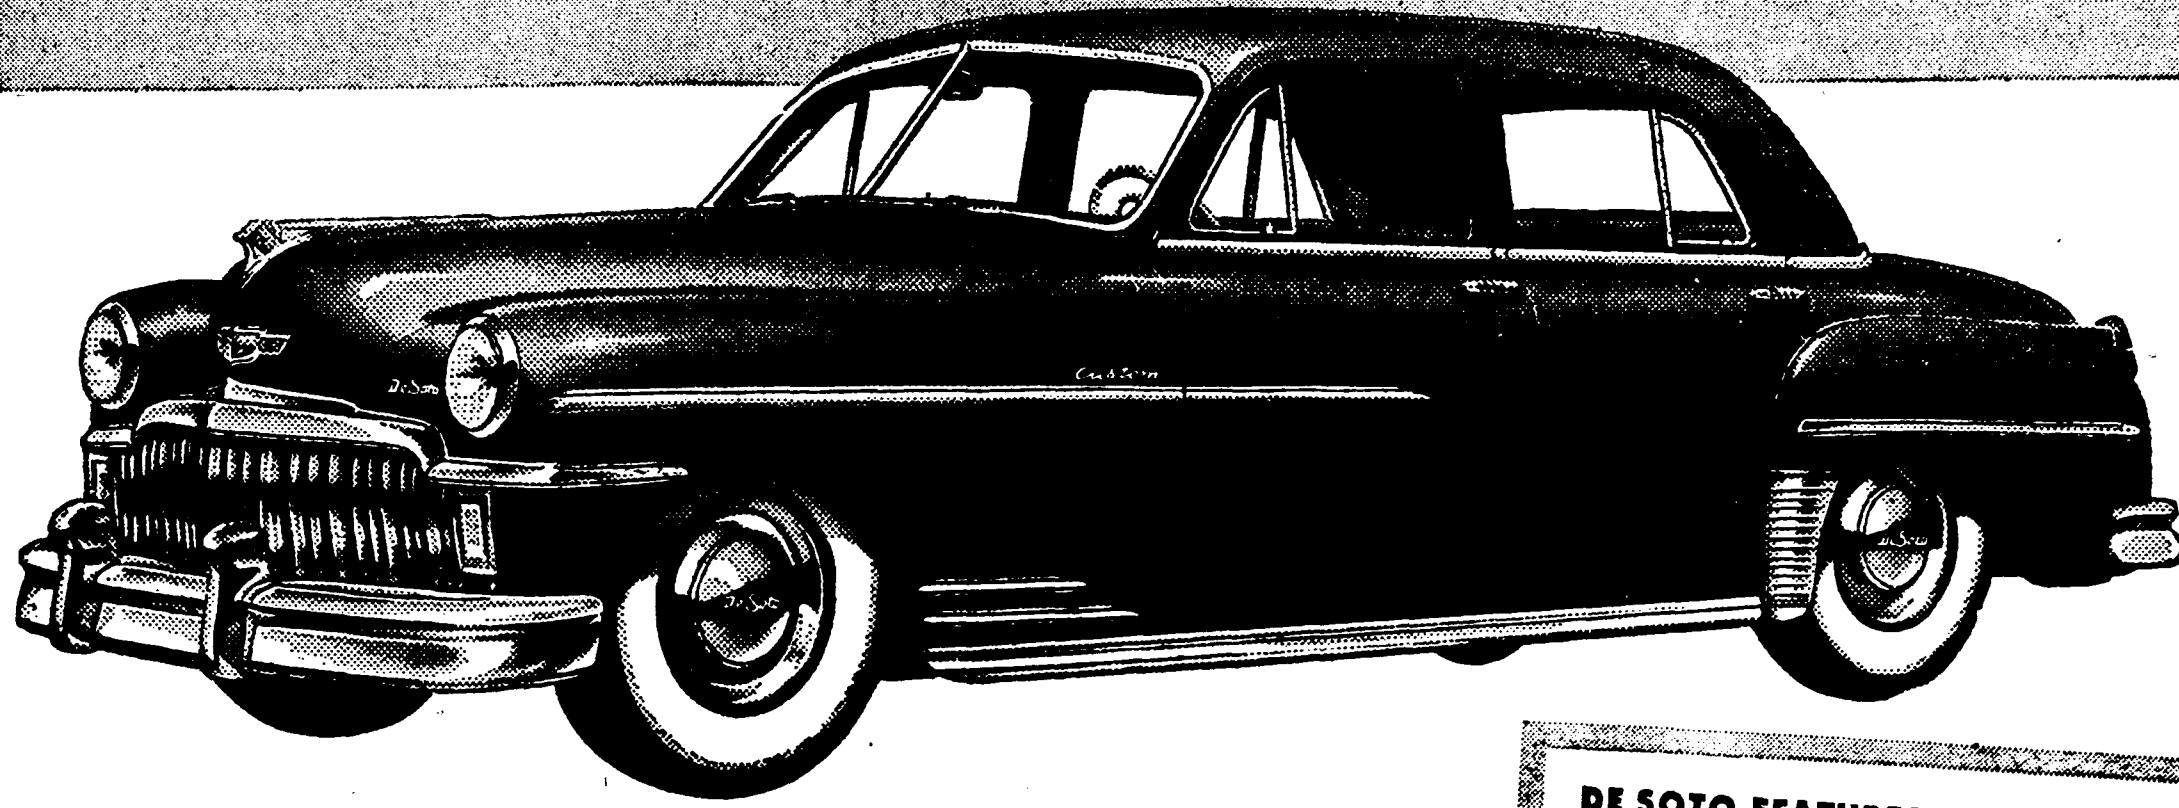

Crowds of people have visited our showrooms since the first announcement of the new De Soto. It has been very interesting to watch their reactions.

First of all, of course, they walk all around the car and admire its smart, low lines and its sleek appearance. They tell us they like its looks because it is "modern but not modernistic."

But the big surprise comes when they open those wide doors and step inside. The roof does not hit their hats. There's lots of headroom. The steering wheel doesn't hit the driver's knees. And because the luxurious seats are chair high, you can see everything without craning your neck.

Get in. Front seat or back, they're both wider. There's more leg room for all passengers, too. And you get all this extra space without sacrifice of convenience, because the outside dimensions of the new De Soto are not increased. You can still park with ease. And you needn't rebuild that garage.

Before you make any decision about any new car, come in and let us show you De Soto's many great features including Tip-Toe Hydraulic Shift with Fluid Drive, that lets you drive without shifting. Compare this car with any other at any price... for beauty, comfort, safety and value. Then decide. Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

Carrollton BPWC Elects Officers, Hears Reports

Carrollton—Miss Helen Epps was elected president of the local Business and Professional Women's club at the meeting held Monday evening at the home of Miss Helen Duncan. Others elected were Mrs. James Day, vice president; Mrs. Hazel French, recording secretary; Mrs. Oren Siebermann, corresponding secretary; Mrs. Bessie Schnelten, treasurer.

Mrs. Mary Rockwell, Mrs. Meda Dowdall and Miss Catherine Shallue gave reports from the district BPWC meeting held in Beardstown. The program was given by Miss Maude

Collins and Miss Nellie Pegram, members of the international Relations committee, assisted by Mrs. Oren Siebermann, Mrs. Fred Ashlock, Miss Marie Hanlon and Mrs. L. E. Raper. The topic for the evening was "What the United Nations are Doing for the Status of Women in the Foreign Countries."

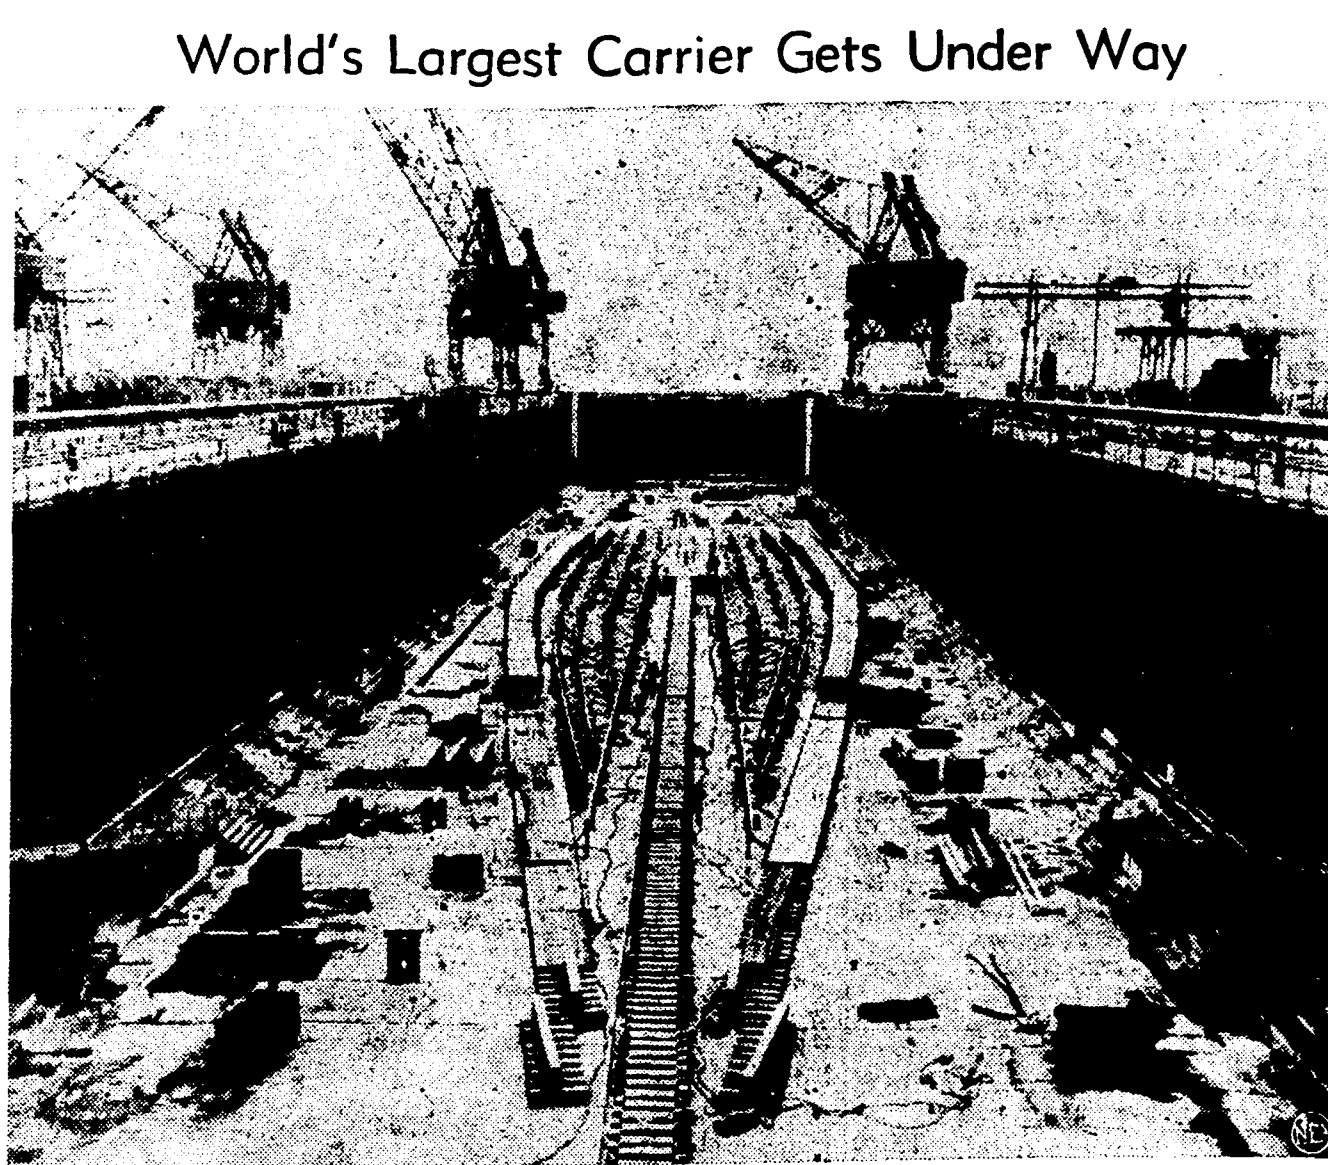

During the business meeting, the club voted to raise their dues in order that they might have a part in the Celia Howard Fellowship Fund which is a fund used to train women for diplomatic positions. Seventeen members attended the meeting.

Services Held For Husband of Former Local Resident

Funeral services for Edwin Bertram Carbaugh, husband of Rose Black Carbaugh, former resident of this city, were held at the Mound Prairie church in Beverly, Ill., on April 14. Burial was in the Mound Prairie cemetery.

Mr. Carbaugh's death occurred April 9 at a hospital on Long Island, N. Y., following a lingering illness. He was born in Beverly township on March 28, 1885, the son of Orlando and Minnie Bimson Carbaugh. His marriage to Rose Black took place in Bluffs on Oct. 15, 1915. The couple had made their home on Long Island since 1930.

Survivors include his wife; a sister, Mrs. Zelma Kelly; a brother, Lawrence; two nieces, Mrs. Avis Kelly Hibbard of Quincy and Mrs. Bonnie Dale Carbaugh Lierle of Liberty; and one nephew, Dwight Hopper of Jacksonville.

This is the start of the keel for the 65,000-ton USS United States, the world's largest aircraft carrier now under construction in a Newport News, Va., shipyard. The super carrier, the Navy's first atomic age ship, will cost the government \$193,000,000 and take an estimated four years to build. The giant keel was laid without fanfare ending a long controversy on Capitol Hill.

Rainbow Girls Welcome Grand Worthy Adviser

Miss Peggy Miller, grand worthy adviser for the Order of Rainbow for Girls, made her official visit to Assembly No. 19 Tuesday evening, at which time a banquet was held in her honor at the Masonic Temple.

One hundred sixty persons were present, including grand officers from Belleville, Alton, Chicago, Bloomington, Springfield, Centralia, Quincy and Jacksonville, as well as several out of town guests.

Following the banquet a short program was presented, which featured two songs, "Easter Parade" and "April Showers," by Sylvia Plouer, accompanied by Mrs. Francis Plouer, and a reading, "My New Pink Suit," by George Fox.

A cash donation was presented to Miss Miller to assist her in carrying out her project for the year.

Initiation ceremonies also took place. The 11 girls initiated into the assembly were Janet Dunlap, Margaret Wells, JoAnn Metz, Beverly Byus, Nancy Birdsall, Donnie Birdsall, Barbara Stevens, Marilyn Todd, Sally Gibson, Charlotte Fountain and Bonnie Cockin.

A dance followed.

Moose Auxiliary Names Delegates for Meeting

Two delegates to attend the child welfare conference to be held at the Palmer House in Chicago on April 28 and 29 were appointed by the Moose Auxiliary, Chapter 1079, at its meeting held Tuesday evening. The delegates are Mrs. Saralee Sandberg and Mrs. Rose Williams.

Thirty-two members were present. One new member, Mrs. Ruth Proffitt, was accepted. Mrs. Nina Phillips, college regent, was official visitor and Mrs. Mae Rueter, college regent, was a guest. Both are from Quincy chapter 169.

The next meeting will be held May 3. A bunc party will be held for the ladies on April 26.

The Jacksonville public schools will register children for summer kindergarten and the first grade on Tuesday and Wednesday, April 26 and 27. Summer kindergartens will be operated for ten weeks from June 13 to August 19. Children will attend a half day. The fall school term will begin on Tuesday, September 1st.

Children who are six years of age by December 1, 1949 will be eligible to start to kindergarten and school. A birth certificate should be presented at the time of registration.

Parents and children are invited to visit school on either of the registration days. It is desirable that the children see the school in action before they begin their kindergarten or school experience. The visit will help children adjust to the school surroundings and other children and make their first days in school much more pleasant.

The advanced registration will make it possible to start with fewer interruptions. It helps the schools to plan for changes in enrollment which may occur and it avoids the necessity of shifting children from teacher to teacher after school begins.

Parents will be given information on the registration days regarding the physical examinations which are to be given to pre-school and fourth grade children. These examinations will be given in the elementary school buildings during the first week in May.

A booklet has been prepared for parents of children beginning summer kindergartens and first grade. The booklet contains information about the school and suggestions for home and school cooperation. It includes the objectives of the school, the hours of the school day, the curriculum, the state health and physical education requirements, school supplies needed, reports to parents and similar information.

Farewell Party Given By Class For Hulan Family

Rev. and Mrs. Roy Hulan and family, who will leave May 1 for Hooksville, Ky., where he has accepted the pastorate of the Christian church, were honored by the Loyal Partners class at a farewell party and supper Tuesday evening at Central Christian church.

An impressive ceremony was given by Scout Troop 101 in charge of Scoutmaster Russell Vernor, in which David Hulan received the tenderfoot pin and kerchief.

A silver tray was presented to Rev. and Mrs. Hulan by President Fred Goodey on behalf of the class.

Tables were attractively decorated with spring flowers and blue and yellow streamers. Entertainment included a magic act by Al Hopper and accordion music by Mrs. Marjorie Prather, together with group singing.

The president announced that the class banquet will be held May 10 at the church. Tickets may be secured from Mrs. Don Hamney and Mrs. Harold Hills.

The committee in charge of the farewell party for Rev. and Mrs. Hulan included Mr. and Mrs. Clarence Lewis, chairman, Mr. and Mrs. Clyde West, Mr. and Mrs. Clifton Hungerford, Mr. and Mrs. Russell Exard, Mr. and Mrs. Gordon May.

Caribbean Hair Rinse

Muriel Schard gets a dunking as she rides with water ski champion Bruce Parker off Luquillo Beach, Puerto Rico.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, April 20—(P)—Live hogs had a generally steady tone today, cattle were steady to 25 cents lower, and lambs were steady. Calves were at variance with this stability, dropping fully \$1 a hundred pounds, while ewes and bucks were weak to 50 cents lower.

Butcher hogs grading good and choice sold from \$16.25 to \$18.50 and a top value of \$18.75. Sows took \$13.50 to \$16.50. Clearance of all supplies, including an unsold hold-over of 3,000 head, was considered good.

Best cattle price went to a load of high-choice steers at \$28.25. Most steers and yearlings grading medium to choice brought \$22.50 to \$26.25. Good to low-choice heifers made \$23.75 to \$25.75. Sausage bulls topped at \$22.75 and vealers at \$28.

Choice Colorado clipped lambs showed a top of \$27.50, but wooled kinds were absent. Springers merited \$35. Ewes peaked at \$13.50.

Among receipts on sale were 7,500 hogs, 8,500 cattle, 600 calves, and 500 sheep.

WHEAT PRICES FAIL TO HOLD ADVANCE; SOYBEANS, LARD UP

Chicago, April 20—(P)—A very pessimistic report on wheat in the eastern third of Nebraska, plus less encouraging news from Kansas spurred buying in new crop wheat futures on the Board of Trade today. Prices advanced more than 2 cents at one time, but were later reduced.

May wheat also showed strength, but profit-taking toward the close wiped out its gains. At one time wheat, selling at \$2.26, was at a new high since last January 13. Some short-covering was based on news the Commodity Credit Corporation would buy wheat grading No. 3 hard.

Corn bounced ahead for gains of more than a cent at one time, but promptly turned around when the higher price brought heavy offerings of cash corn from the country. Dealers reported purchases of 350,000 bushels on a to-arrival basis.

Although they also ran into late profit-taking, soybeans and lard held onto part of their early gains.

Receipts were: Wheat 5 cars corn 58, oats 60, rye none and soybeans 5.

Wheat closed 1 1/2 lower to 3 higher. May \$2.23-1/2, corn was 1/2 lower to 1 higher. May \$1.34-1/2, oats were 1/2 lower. May 69 1/2, rye was 1/2 lower to 1 higher. May \$1.29, soybeans were unchanged to 1/2 lower. May \$2.24-1/2 to \$2.25, and lard was unchanged to 10 cents a hundred pounds higher, May \$11.50.

Farm Land Price Boom Reported Past Its Peak

Washington, April 20—(P)—The government reported today that the war-inspired boom in farm land prices apparently has passed its peak.

For the first time in 10 years, the general level of farm real estate values has declined. A 15 per cent drop in farm product prices from the post-war record was said to be a major cause of the decline in land prices.

The Bureau of Agriculture Economics said the index of land values on March 1 this year was one per cent below that of last Nov. 1. This is the first time since 1939 that the index has shown a decrease.

The level of land values still was 3 per cent above March 1, 1948.

The bureau foresaw further declines, but it said they are likely to lag behind decreases in farm products prices.

New York Stock Market

New York, April 20—(P)—American Telephone & Telegraph common stock declined abruptly today following stockholder approval of the largest financial deal in the history of private business.

Telephone dropped around 1 1/2 points to 144, within a shade of the lowest price since 1943. Several large blocks changed hands, including one which involved 4,500 shares.

Stockholders of the company approved a plan to raise \$395,000,000 through sale of debentures which could be converted into common stock, thus diluting the present equity of stockholders.

The balance of the market moved along over a narrow price range with advances and declines thoroughly mixed. Many stocks alternated between small gains and losses. Turnover was at the rate of around 800,000 shares for the full session.

General Electric, which dropped yesterday despite a favorable earnings report, cancelled the loss.

Tending higher most of the day were Nickel Plate, U. S. Steel, Bethlehem Steel, International Harvester, Johns-Manville and U. S. Gypsum.

Bulk spots included Republic Steel, Chrysler, Firestone, International Nickel, and Allied Chemical.

Corporate bonds moved narrowly. U. S. governments held steady in over-the-counter dealings.

Chicago Cash Grain

Chicago, April 20—(P)—No wheat. Corn: No. 2 yellow, 1.41-41 1/2; No. 3, 1.33-41 1/2; No. 4, 1.24-35 1/2; No. 5, 1.13-27 1/2; sample grade, 75-1.02.

Athletics Take Second Straight 3-2 Victory Over Boston Red Sox

Philadelphia, April 20.—(P)—Sam Chapman and Elmer Valo combined today to give the Philadelphia Athletics their second straight 3-2 victory over the Boston Red Sox—the deciding tally crossing the plate in the tenth inning.

Chapman and Valo each connected with four singles for eight of the 11 blows the A's got off Ellis Kinder. The last of Chapman's hits sent Valo home with the winning run. Valo also scored the other two Philadelphia runs.

Valo's fourth hit and errors by Johnny Pesky and Kinder on attempted sacrifice bunts filled the bases for Philadelphia in the tenth. Kinder retired Hank Majeski on a pop foul fly and had two strikes on Chapman when the Athletics' center-fielder lined a single to left.

Johnny Groth Hits Grand Slam Homer; Detroit Wins 5-2

Detroit, April 20.—(P)—Rookie outfielder Johnny Groth continued his terrific hitting today as he walloped a grand slam homer, a couple and a single to drive in all five runs as the Detroit Tigers beat the Chicago White Sox 5-2.

It was Groth's third homer in the Tiger's first two games of the American league campaign and ran his runs-batted-in total to seven.

For the second day in a row, Groth's hitting overshadowed a nifty one-four-hitter by Virgil Trucks. Yesterday it was Hal Newhouser's three hits against the White Sox that forced into the background by Groth.

Right-hander Randy Gumpert was the victim of Groth's power today. Groth's hitting ran his total to five safeties in seven times at bat in his first two days as the Tigers' regular centerfielder.

Cleveland Downs St. Louis Browns In 7-3 Contest

St. Louis, April 20.—(P)—The Cleveland Indians knocked out three pitchers and downed the St. Louis Browns 7-3 today, with Pitcher Bob Lemon going the full distance before 2,919 fans at Sportsman's Park.

The seven hits permitted by Lemon included home runs by Dick Kokos and rookie Jack Graham, the latter's coming with a man on base in the eighth. Lemon had six strikeouts.

The Cleveland victory squared the season-opening series at one each. Cleveland 010 003 007—11 1

Forty Gridders Report For Spring Practice At IC

Al Miller, Illinois College football mentor, announced yesterday that approximately 40 gridirers have reported for spring football practice at the Hilltop campus.

Miller further urged every probed and disappointed gridiron warrior at Illinois College to try out this spring. Invitations will be issued to the players who make the grade this spring to wear the Blueboy colors next fall, therefore it is imperative that Miller inspect all available material on the campus at this early date.

The squad will work out without pads for the first two weeks of practice. They'll don the pads for contact work in the second two weeks, and will play an inter-squad game to wind up the session. The public will be invited to view the full 60-minute contest, and will be notified of the exact date in a later issue.

Coach Dudley's golf team will entertain the Concordia of Springfield aggregation on the Nickols park links Friday, April 22.

Walter Gayler will take his Hilltopper net-men to Carthage Saturday, April 23 for a match with the Redmen.

Illinois House Group Backs Bill To Ban Fast Time

Springfield, Ill., April 20.—(P)—A bill to force 500 Illinois cities using daylight saving time to go back to standard time July 1 has won an okay from a House committee.

A 16 to 1 vote by the house agriculture group late yesterday sent the fast time ban to the house floor. But even if it passes the House—which is uncertain—it seems doubtful that it will pass the senate.

The move is backed chiefly by spokesmen for farmers and railroad men. They say daylight saving time causes confusion and inconvenience. About 500 Illinois cities, including Chicago, are ready to move up their clocks one hour starting next Sunday morning.

They decided on fast time in local elections or in city hall meetings. Two years ago a similar bill outlawing daylight time was passed in the Senate. But the House, led by Chicago members, killed it after Mayor Kennelly protested.

Kills Neighbor; Says He Thought 'It Was A Bear'

Milwaukee, April 20.—(P)—John Drews, 57, was under physical and mental observation at County General hospital today after telling officers he shot and killed a neighbor in mistaking him for a bear.

Drews, charged with first degree murder, waived preliminary hearing in district court yesterday and was bound over to municipal court for trial in the death of his 58-year-old friend, Lawrence Griffith.

After his court appearance, the sheriff's office said, Drews was transferred from the county jail to the hospital upon the advice of Dr. Conte Conroy, county physician.

Griffith, who lived a few doors from Drews, was killed yesterday morning as he left for work. Capt. William Hannon of the sheriff's department quoted Drews as admitting he fired 11 shots from a .22 caliber rifle as he stood in the doorway of his home.

Deputies said Drews told them: "I did it. Take me in. I thought it was a bear."

Fugitive Gunman Accused Of Two Murder Attempts

Viroqua, Wis., April 20.—(P)—Two warrants charging attempted murder have been issued against Herman Monick, 36-year-old fugitive gunman.

Monick, of Pontiac, Mich., has been the object of a nationwide search since April 13 when he shot his way out of capture and then stole several vehicles to skip out of a five-county police net in southwestern Wisconsin, said Moon.

Joseph Spiker, 18, of Greencastle, Ind., a companion of Monick, was arrested early in the chase and will be tried here Friday on a charge of auto theft.

Vernon county sheriff Morris Moon said Monick and Spiker broke out of jail at Corunna, Mich., April 3 and then began a 10-day crime spree. The climax came, said Sheriff Moon, when the two drove into Viroqua in a stolen car, stole another vehicle and then fled in their separate stolen autos.

When a squad car cornered Monick he blasted at his pursuers with a gun. Flying glass cut Dr. Raymond S. Hirsch, of Viroqua, owner of one of the stolen cars who was along on the chase.

Sheriff Moon said the warrants charge Monick tried to kill Dr. Hirsch and undersheriff Floyd E. Potter.

Crimson Batsmen Dump Winchester Nine 7-3

Bob Kraushaar's Jacksonville high school nine felled the Winchester club 7 to 3 on the local diamond yesterday afternoon.

Jack Chapman, sophomore hurler on the Crimson mound staff, went the route for Kraushaar and treated the Scott county nine to 4 hits during the 7 inning session. He walked a trio of batters, and struck out 8.

Winchester drew first blood when they counted a lone run in the second inning on a round-tripper by Pat O'Donnell, the pitcher. The Scott county nine scored a brace of runs in the fourth inning on two hits and two errors. This marged the final inning in which the visitors were able to score off Chapman and the locals.

The Crimson scored in their half of the second inning also. Without getting a single hit the locals racked up a run, when Rhodes and Sommer drew bases on balls and Rhodes scored on a passed ball.

The Kraushaars never scored again until the fifth inning. In this fifth frame, which Williams started off with a hit. Johnny Walker followed with a safety and Whitacre and Heaton also binged to account for three runs.

In the sixth stanza, Jack Chapman rapped out a three-bagger.

Sommer hit for two bases, Williams also doubled, and Bunch binged to score three more runs. Walker fled out and Whitacre fanned to end the canto.

The Crimson swing into action again Monday afternoon when they tangle with the Beardstown club on the river-town's grounds.

Estimate Beery Left \$2,000,000

Glendale, Calif., April 20.—(P)—Wallace Beery, the beloved actor with the homely face and twisted grin, lies buried in Forest Lawn Memorial park near many of the screen's great.

It is estimated that the 64-year-old screen pioneer who died of a heart ailment last Friday night left an estate valued at nearly \$2,000,000. Much of the money was made before high taxes.

The funeral was held yesterday in the Church of the Reformation, attended by some 3,000 persons. Most of those present were Beery's fans. Few screen celebrities attended the simple rites.

The word "solon" derives from an ancient Greek poet, philosopher and general, who as head of the city of Athens, remodeled the government.

Rip Sewell Has Pitched, Won 10 Opening Games

Chicago, April 20.—(P)—The law of average has never caught up with Rip Sewell.

The 40-year-old righthander has pitched 10 open National League games for the Pittsburgh Pirates and won all of them.

Especially vulnerable to his slants are the Chicago Cubs. Rip, whose blooper ball made him famous, beat them yesterday, 1-0. It was the eighth time he had set them down in a season opener, and the third time in a row.

As if the Cubs have not been insulted enough by this, the pesky Sewell has added injury by mesmerizing them a total of 34 times in 53 games since he joined the Bucs in 1938. About 25 per cent of his 138 victories as a major leaguer have been over the Cubs. He whiffed them seven times in compiling a 13-3 record last season.

Is it magic?
"I can't explain it except that in a lot of the games I get the breaks—that's all," said Sewell. "This business of holding a jinx or hex over the Cubs is a lot of bunk. I've pitched some good ball against them and deserved to win. Then, again, I've been lucky. Take yesterday against Dutch Leonard who broke in with me at Nashville in 1931. I gave up eight hits, he gives up five. I win when we get an unearned run in the ninth."

Swedish Champion Winner Of Boston A. A. Marathon

Boston, April 20.—(P)—For the fourth straight year a foreign star has won the famed Boston A. A. Marathon—smiling Karl Gosta Leandersson, the 31-year-old Swedish champion.

The smooth-operating Swede ran 142 strong rivals ragged yesterday while completing the 26 miles-385 yards course from Hopkinton to Boston in 2 hours, 31 minutes, 50.8 seconds.

By so doing he found himself on the Unicorn club's victory rolls with such recent winners as Gerry Cote of St. Hyacinthe, Que., Yun Bok Suh of Korea, and Stylianos Kyriakides of Greece.

Taking command from Victor Drygall of New York at the halfway mark, Leandersson gradually pulled away and finished about a half-mile ahead of that 28-year-old chain store accountant, who was running his first full length marathon.

Mental Test Is Asked For Babich, Accused Slayer

Milwaukee, April 20.—(P)—Dist. Judge Harvey Neelen will rule next Tuesday on whether Milton Babich, charged with the first degree murder of Patricia Birmingham, should be examined by a psychiatrist.

Counsel for the 19 year old youth asked permission yesterday for the examination.

Deputy Dist. Attorney Joseph Tierney objected, saying that if permission were granted the state desired its own psychiatrist present.

Judge Neelen instructed both sides to file briefs before he makes a decision.

Dist. Atty William McCauley says Babich has admitted slaying the 16-year old girl and then throwing her weighted body into the Milwaukee river Feb. 10.

Two days before the body was recovered, Babich and Patricia's older sister, Kathleen, then 17, were married at Kalamazoo, Mich.

McCauley said Babich told him he had intended to frighten Patricia with a revolver so she would cease making remarks about Kathleen's pregnancy. He said the weapon discharged as he reached for it and his finger struck the trigger.

Man Who Started Fast Time Dies

Elizabethtown, Pa., April 20.—(P)—Robert Garland, who gained widespread recognition as the "father of daylight saving time," died at the Masonic home here yesterday as the result of a cerebral hemorrhage. He was 86.

During World War I he gained national prominence for his fight to give the nation an extra hour of daylight. The plan was adopted, despite widespread opposition by farm groups, and then was repealed in 1919.

Garland later lived to see his idea adopted throughout the country.

Dodgers Make Errors Count For Four Runs; Beat Giants 6 To 2

Brooklyn, April 20.—(P)—Taking advantage of four New York errors and a streak of wildness on the part of pitcher Sheldon Jones, the Brooklyn Dodgers scored four unearned runs to defeat the Giants today 6-2.

A crowd of 21,864 saw the Dodgers collect only four hits off three Giant pitchers. But the Dodgers were presented with seven bases on balls to register their second straight triumph over their inter-borough rivals.

Reip Branca, going the route for the Dodgers, also gave up four hits including a home run to Sid Gordon in the sixth inning.

Jones started for the Giants and yielded only one fluke hit in three and two-thirds innings, but seven bases on balls and two errors behind him caused his undoing. He forced in two runs in the fourth with walks and was relieved by Andy Hansen.

Branca fanned six batters, including the side in the eighth.

Gardella Loses Bid For Return To Baseball

New York, April 20.—(P)—Danny Gardella denied the chance to return immediately to organized baseball, went forward with plans today to play with an independent team in Canada.

Federal Judge Edward A. Conger denied a request yesterday that the little wartime outfielder of the New York Giants, be restored to good standing.

Gardella, suing baseball officials for \$300,000 damages for the banishment that resulted from his jumping to the Mexican league, sought a temporary injunction restraining baseball from enforcing the suspension.

Judge Conger held Gardella had not made a sufficient showing of irreparable damage. Denial of the petition will have no effect on the suit, which is still pending.

The federal judge previously had denied a similar petition in behalf of Max Lanier and Fred Martin, former St. Louis Cardinal pitchers who are suing the game for \$2,500,000.

Raschi Pitches Yanks To 3 To 0 Win Over Senators

New York, April 20.—(P)—Vic Raschi showed a mid-season form today when he pitched the New York Yankees to a brilliant 3-0 shutout over the Washington Senators. The star righthander allowed only three hits as the Yankees made it two in a row over the Nats.

A crowd of 12,551 saw Tommy Henrich smash his second home run in as many days in the fourth inning to snap a scoreless pitching duel between Raschi and Paul Calvert, the Senators' bespectacled right-handed rookie.

The Yankees added two more runs in the sixth.

Raschi faced only 28 men. He issued three bases on balls and struck out four.

Cubs Shutout Pirates 4 To 0 On Three Hits

Chicago, April 20.—(P)—Bob Rush, 23-year-old sophomore, hurled the Chicago Cubs to a 4-0 triumph over the Pittsburgh Pirates today before 11,218.

Young Rush scattered three hits, fanned seven and walked six to outduel Murry Dickson. The Cubs rapped the ex-Cardinal for eight hits in his six innings and bunched four for all their runs in the fifth.

Harry Walker opened with a double, Phil Cavaretta walked and Andy Pafo singled for one run. Bob Scheffing doubled off the center field wall to chase in two more. Then Hal Jeffcoat singled Scheffing across.

Eddleman Seeks Eleventh Letter, All-Time High

Champaign, Ill., April 20.—(P)—Dwight Eddleman Saturday begins earning his 11th University of Illinois varsity sports letter—an all time record for the school.

"Dike" will begin track competition as Illinois entertains three schools in a relay carnival. By June, barring injury, high-jumper Eddleman will have won his fifth track letter and his 11th in all sports. He has received three letters each in football and basketball.

The total of 11 would surpass the present record of 10 won by the late Claude J. Rothgeb who graduated in 1905. Rothgeb earned four track, four football and two baseball letters at Illinois at a time when freshman competition was permitted.

Illinois boasts three nine-letter men—Wilbur Henry of the class of 1937, now a North Hollywood, Calif., business man; George Fencil of 1931, now coach at Morton Junior college, Cicero, Ill., and Burt Ingwersen of 1920, now Illinois' line coach.

Jones Gets Four Doubles As Braves Edge Phillies 6-5

Boston, April 20.—(P)—Boston's Braves made it three victories in four games against the Phillies today, edging the Philadelphia 6-5 before 6,095 fans who saw the losers' Willie Fudinhue Jones equal a modern baseball record by hitting four doubles in a single contest.

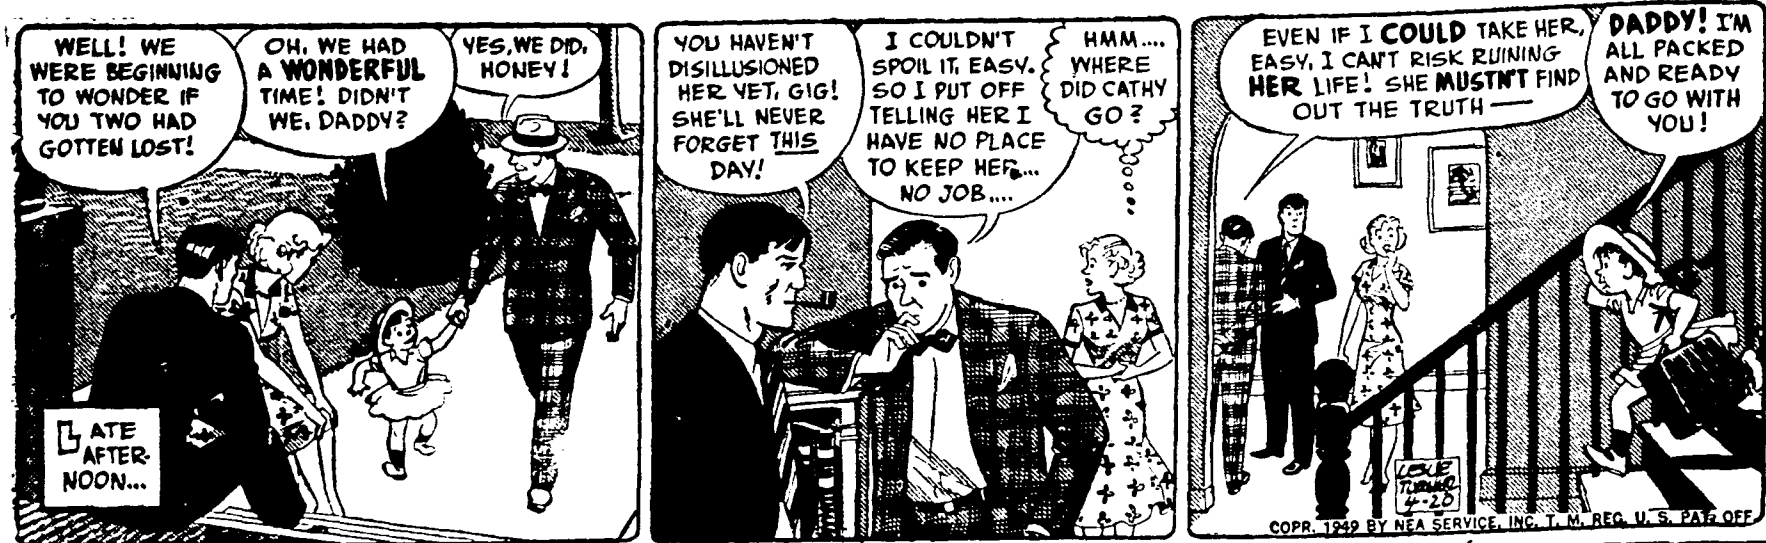

Jones walked his first time up today, then clouted his four two base hits in consecutive trips to the plate. His feat overshadowed two lusty home runs, one by Boston's Earl Torgerson and the other by the Quakers' Bill Nicholson.

STUDENT PRINTERS LEARN HOW

Giles Woolf (left), instructor of printing at Jacksonville high school, explains to Paul Simmons and Wayne Jumper how he'd lock up a type form after the two students have run into difficulties.

They're working on one of the many jobs produced by the printing classes during the school year.

The Jacksonville high school print shop has been a busy spot. Working under the direction of Instructor Giles W. Woolf, the students have made almost a half-million printed articles since September.

The products of the J.H.S. shop enter many of the homes of Jacksonville. Most people don't realize that these printed products are made by students in the high school.

Parents who have children in the public schools of Jacksonville know their children are frequently asked to take blanks home for their parents to sign. These blanks are only a very small part of the shop's output. These students print tickets to all the theatrical productions sponsored by the high school, the programs, stationery used by all Jacksonville schools and many other

Cass Boy Scouts Plan To Attend Beardstown Meet

Virginia—The Blackhawk district of the Boy Scouts of America will hold its meeting in the C.I.F.S. building in Beardstown at 7:30 p.m. Thursday.

The local scouts and may be some of the Cub Scouts are planning on taking part in the Abraham Lincoln pilgrimage to be held in Springfield Saturday. There will be a parade, which will end with a ceremony at the Abraham Lincoln tomb.

Meyer's Grocery in Beardstown was entered sometime Tuesday night and approximately \$30 worth of merchandise was taken. Sheriff Nick Long is investigating the case.

Supt. J. Benjamin Walrich Tuesday attended the Banquet at the St. Nicholas hotel in Springfield, which was sponsored by the administration of community units schools district class of the University of Illinois.

The school faculty is having its monthly party on Thursday evening at the high school.

East Union Church To Be Redecorated

Manchester—The congregation of the East Union church have announced plans to redecorate the interior of the church and make other repairs on the building. Anyone wishing to help on the project is asked to contact committee members Robert Edwards, Mrs. Estella Cockrill or Mrs. Genevieve Ashlock.

The Manchester PTA met recently in the school building. Entertainment for the evening was furnished by the Walker Motor Co. of Jacksonville and Mrs. Minor Prather, who presented several accordion selections.

Mrs. Claude Heaton visited with friends in Jacksonville Tuesday.

Hillview O.E.S. Initiates Three

Patterson—At a special meeting held Tuesday evening at the Masonic Hall in Hillview, three new members were initiated into Hillview chapter 981, Order of Eastern Star. The new members are Mr. and Mrs. Willard Rigg and Mrs. Freda Patton.

Guiding Star chapter of White Hall were guests for the evening. Refreshments of cake, ice cream and coffee were served to 52 members and guests following the initiation.

Fifteen votes were cast in Tuesday's election. Three trustees were elected: William McClelling, Curtis Gihler and Hubert Brown. They were unopposed. Mrs. Zona Forrester, Mrs. Cora Bahr, Mrs. Ruth Sorrells, Mrs. Maude Johnson, Miss Alleata Taylor and Mrs. Hulbert Ringering were on the election board.

PROTESTANT GROUPS STAGE EVANGELICAL CAMPAIGN IN OCTOBER

New York, April 20 — (P) — The biggest evangelistic campaign ever undertaken by the Protestant churches of America will begin next October.

Plans for the campaign, to be known as the nationwide Christian crusade, were announced today. Sponsors are the federal council of the churches of Christ in America and 15-non-member denominations with a total of 35,000,000 members.

The plans, two years in the making, envisage participation of more than 150,000 local churches and more than 50 colleges. The crusade will continue for 15 months through 1950.

Large Barn, Shed On H. P. Joy Farm Destroyed By Fire

A Jacksonville fire department run to the H. P. Joy farm located about 11 miles northwest of the city failed to save a large barn and adjoining shed Wednesday evening, but the firemen connected the pump to two wells and extinguished small fires which started on the roof and sides of two nearby corn cribs.

One calf perished in the fire. The contents of the barn, including a considerable amount of grain and about 250 bales of hay, were entirely destroyed.

The cause of the fire was not ascertained. The destruction of the barn was well along before the firemen arrived. They laid out 12 sections of hose to connect the pump with the well at the family residence and the one at the nearby tenant house and stood by to protect the rest of the farm buildings.

The alarm was called in about 7:30 p.m. Assistant Chief Carl Litter, Byron Campbell and Joe Sullivan made the run.

Reports Given At Red Cross Meeting Tuesday

The directors meeting of the Morgan County Red Cross chapter was held Tuesday night in the local chapter office, with the following directors present: Dr. Malcolm F. Stewart, chairman, president, Floyd DePreitas, Harlan Lee Williamson, Cecil Weghehoff, Litterberry, E. D. Hayden, Mrs. Harrison King, Mrs. Wm. T. Wilson, R. J. Kaufmann and Mrs. Paul Allyn, Waverly.

The home service report read by the executive secretary, Alma Mackness, showed a total of 186 cases open, of which 151 received assistance. These cases pertained to men and women in the armed forces and veterans. Four different fire disaster cases received emergency relief and rehabilitation. Emergency financial assistance was given twenty-two different cases including the four fire disaster families.

The final 1949 Red Cross Fund Campaign report compiled by Robert Splink, chairman of the Morgan County chapter campaign for this year, was read, showing a total of \$11,302.29.

Negro Publisher Urges Courts Be Tough On Negroes

Chicago, April 20 — (P) — A Negro publisher today urged the Municipal Court to get tough with Negro offenders as a means of curbing crime.

John H. Sengstacke, publisher of the Weekly Chicago Defender, headed a committee of 21 south side white and negro business men who called on Chief Justice Edward S. Sheffield of the Municipal Court.

The group calls itself the south-side committee to suppress crime. "A decent citizen can't walk down the street without fear of being terrorized," Sengstacke told the judge. "A more severe sentence to a defendant would show that the courts mean business."

Judge Sheffield said he did not believe the courts had been too lenient with negro defendants but added that at his next meeting with the committee he would try to have state's Attorney John S. Boyle attend.

The committee said it is concerned primarily with cutting crime in the Washington avenue district. This neighborhood houses 350,000 in an area where only 100,000 should be living, the group stated.

NOTICE

Hear Frank R. Young from Palestine at the Assembly of God church.

Thursday, Palestine and the Jew. Friday, What affect will Israel have upon world events? Sunday morning—Victorious living. Sunday night—A prophetic message, "The Hand Writing on the Wall."

These messages are vitally important as they reveal our destiny, both politically and spiritually in national, international and spiritual affairs.

This decision was reached last night at the conclusion of a conference held at the Masonic temple. Approximately 150 officials representing 50 boards in this section attended.

This district, when organized, will be one of eight in Illinois. It includes the area from Decatur to Quincy.

The opening session, which started at 4:30 in the afternoon, consisted of four group meetings. The educators were assigned to one of the four discussion groups which dealt with such topics as "The Unit District—its Administration and Educational Program," which was presided over by James Coombes, president of the Jerseyville board of education.

The other three topics concerned "Improved Teaching Standards," with Mrs. Mazie Smith, president of the community unit board, Scott county, officiating; "Vocational Education in Today's School," Charles Daniels, Jersey county superintendent, presiding; and "Salary Schedules," with Dr. M. A. Summers, president of the Jacksonville high school board of education leading the group.

After the discussion groups adjourned at 6 p.m., dinner was served by the local Masonic lodge. Immediately following the dinner, a vocal recital was presented by the local high school mixed choir.

Dr. Edwin H. Reeder, professor of education, at the University of Illinois, was the principal speaker of the evening. He spoke on "What Do Educational Standards Really Mean?"

After Dr. Reeder enlightened the assembled educators on several important facts concerning the maintenance of standards in the school systems, Charles Gibson of Franklin, who is treasurer of the Illinois Association of School Boards, was the presiding officer.

Rev. C. O. Bengtson Elected President Of Lutheran Group

Chicago, April 20 — (P) — The Rev. C. O. Bengtson of Chicago was elected president of the Illinois conference of the Augustana Evangelical Lutheran church today.

Dr. Bengtson has been vice-president of the conference since 1938 and pastor of the Emmanuel Lutheran church here since 1919. He succeeds the Rev. Oscar A. Benson who has resigned to accept a call from the Trinity church, Worcester, Mass.

The Rev. Albert Lorenson of the First Lutheran church, Rockford, Ill., was named vice-president of the conference.

The retiring president, Dr. Bengtson, told the 97th convention of the conference that "efforts to unite the National Lutheran council bodies in the United States into an organic entity are in process."

"Already, younger churches, a fruit of foreign missions, are becoming vocal in world Lutheranism. Exchange students are cementing the fraternal relationship between the Lutheran Youth of the World. This is definitely a day of accelerated unification of the far-flung congregations of Christendom. It implies that we stretch every nerve to penetrate all areas of human need with the Gospel of Christ in the compassionate spirit of the Good Samaritan."

Bridget Markillie Buried Wednesday

Winchester—Funeral services for Mrs. Bridget Markillie were held at St. Mark's Church of Winchester at 9 a.m. Wednesday. The Rev. Father Sullivan officiated, assisted by priests from St. Joseph's Parish of Springfield. During the services, special music was rendered by the St. Mark's Choir.

The pallbearers were John Murray, Joe Montgomery, George Metzger, Jess Fuller, William Wilsey, and William Blackburn. Interment was in Winchester Cemetery.

Village Election In Glasgow Draws Few Votes Tuesday

Glasgow — The village election here Tuesday for the purpose of naming a president of the board, village clerk and three trustees, had only 42 votes registered during the day.

Finas Smith was reelected as president of the board without opposition, LaVern Jones, write-in candidate, defeated Wayne Steelman for clerk and Claude Haney, Max Smith and Milo Letz were high men on a slate of four trustee nominees named in the recent caucus. Local opinion was not an issue at the election here Tuesday.

The election officials this year were members of the local Christian church, with the election being held in the town hall.

Dean, son of Mr. and Mrs. Buell Howard, southwest of Glasgow, was seriously ill with pneumonia.

Mr. and Mrs. John E. Vick have been in Chicago the past week visiting relatives.

Mr. and Mrs. Paul Drake and daughter, Sue Ellen, of St. Louis were weekend guests of his parents, Mr. and Mrs. Floyd Drake and family. Additional Sunday dinner guests in the Drake home were Mr. and Mrs. William Worral, of near Riggston, parents of Mrs. Paul Drake.

Public Library Notes

Whether you attend the big league baseball games or enjoy baseball by radio or television you will welcome "Baseball For Everyone" by Joe DiMaggio, which is available at the Public Library. If you get into a discussion as to where and when baseball started read "Ball, Bat and Bismop," in which Robert Henderson has traced the development of games played with balls from the tales of ancient Greek traveler Herodotus, through the polo of the Persians, English cricket and tennis on down to American baseball.

A variety of sports is given in the "Giant Book of Sports," edited by Gene Schor. "Sport's Golden Age," edited by Allison Danzig, presents a symposium on the sports and personalities of the 1920's by specialists in sport writing such as Grantland Rice and John Kieran.

John Kieran has also brought "The Story of The Olympic Games" down to 1948.

Fishermen will find several books of information at the Public Library including the newest "Guide to Best Fishing," in which Robert Lincoln gives data on fresh water fishing in specific streams and lakes together with kinds of bait and equipment.

Sportmen can also use the expert advice on planning, outfitting and managing a camping expedition given by Homer Halsted in "How to Live in the Woods. They should also find the illustrations in "Elk and Deer," by Jack and Trail Craft, in distinguishing tracks of deer and horses from those of deer and other wild animals.

Among the books on indoor recreations is a new one, "How to Bowl," in which Ned Day, one of the world's outstanding professionals gives a complete course in bowling. For chess players there is a new edition of "Hundred Best Games of Chess," by Capablanca. "Professional Magic for Amateurs" by Walter Gibson and "Fortune Telling for Fun and Popularity" by Paul Shamer will especially delight boys, but also might interest their elders.

In fiction, your attention is called to "Hound Dog Man," by Fred Gipson and "Teen-Age Outdoor Stories," edited by Frank Owen. Those who enjoy the stories by Percival Wren in the twenties will welcome the reprint of a selected group entitled "Stories of the Foreign Legion."

JACKSONVILLE TEAM WINS CONTEST

The parliamentary procedure team of the Jacksonville chapter, Future Farmers of America, won the Section 15 contest held at the local high school Monday night. George C. Egbert is the coach of the squad composed of five sophomore vocational agriculture students.

Shown in the photograph, left to right, are: Martin Stewart, chairman; James Perbix, secretary; Ruel Becker, Bob Benson and Carroll Henderson, team members.

The contests, now two years old, are designed to teach the students how to think rapidly, on their feet and in accordance with the rules of order.

Streator Girl, 21, Will Spend Five Months In Norway

Urbana, Ill., April 21 — (P) — A 21-year-old Streator, Ill., farm girl has been selected to spend five months visiting Norwegian farms.

She is Meta Marie Keller, a University of Illinois home economics senior.

A winner of many 4-H club awards, she is one of 27 rural young men and women selected to study other countries. The visits are part of the International Farm Youth exchange project.

"I'll spend about five months in Norway, visiting various farms, studying the farmer's methods and problems and exchanging ideas. Then when I return, I'll tour Illinois farm areas and give talks about my experiences," she said.

Painter Fatally Injured In Fall From Smokestack

Picayune, Miss., April 20 — (P) — A painter was fatally injured when he fell 80 feet from the side of a smokestack at the Crosby Naval stores plant late yesterday.

Police Chief Weston Lott identified the victim as George Evan Hendrick, 25. He was taken to a sanitarium and later removed to a new Orleans hospital where he died last night.

The office of plant Supt. M. H. Cox said Hendrick had been painting the 250-foot stack when a support rope broke.

A knot in the rope which became hung in a pulley atop the stack saved the life of a second painter. The office spokesman did not know the second man's name.

Hendrick, from Rockford, Ill., is a partner in the Chicago Tank and Bridge company at Rockford.

Scott Club Hears Father Jelenic

Winchester—Father Jelenic, chaplain at Our Saviour's hospital of Jacksonville was the speaker at the meeting of the Winchester Kiwanis club Tuesday night in the Kiwanis hall. Russell Forshey was program chairman and introduced the speaker.

Father Jelenic described conditions in Yugoslavia under their so-called "Progressive Democracy" and enumerated the hardships to which the people of that nation have been subjected. The speaker, who has been in the United States only two years, stressed the inestimable value of the basic freedoms which Americans have learned to take for granted.

BRACELESS AUTO HITS TWO PARKING METERS

Two parking meter posts were snapped off late Wednesday afternoon when they were hit by an automobile.

Ralph Johnson, 1190 S. Clay avenue, was driving south on North East street at 5:20 p.m. He slammed on his brakes at the intersection when he saw a Chevrolet coupe driven west by Lynn Northrop, 448 S. Main street. The brakes failed to operate. Johnson veered to the right, the car zoomed between a parked car on North East street and the rear of the Illinois hotel, knocking down meters No. 522 and 553.

The front fenders, right head light and grille of the 1940 Hudson were damaged. Officers Willner and Smith investigated the accident.

MORGAN TO CALIFORNIA—1849

A Hard Ride Through Northwestern Mexico

By Cecil Tendick

E. M. Rees didn't enjoy his stay in Santa Fe. He was mighty impatient, in a hurry to get to California. There had been many delays. It had taken the Morgan train 85 days to move from Independence, Mo., to Santa Fe. Experienced traders usually made the trip in 50 days, often in 40.

There are no more lengthy descriptive sketches and entertaining stories in the hundred year old journal. From now on the entries are short, mighty short.

The group decided to sell their wagons and extra provisions, pack their horses and mules and ride through Mexico to Mazatlan at the southern tip of the Gulf of California. There they hoped to find a ship that would take them to San Francisco, the ocean gateway to the gold fields.

The law of supply and demand was in force as much in 1849 as it is today. A lot of other travelers had the same ideas; hence the price of wagons and provisions dropped to a fraction of their former value.

"Sold one of our wagons for 70 dollars that had cost us 175 dollars at home."

The trail through Mexico was a tough one, but fairly safe. The group started early each morning, rested through the hottest part of the day and then rode until late at night. Some days they covered as much as 60 miles, averaged around 30 miles. It was mighty hard on the horses. Often they could be swapped for fresh ones at ranches along the route.

Hard Riding, Sista—

Then More Riding

Typical entries in the journal:

"Sep 1—Packed up and road 15 miles and stopped until sunset, then traveled all night and camped at the end of Horn Alley and got breakfast."

"Sun 2 — Very warm. Traveled about 40 miles. Camped at 9 o'clock P.M."

"Mon 3—Very hot. We started and road until 2 o'clock without water. Stopped and got dinner, then road until 2 o'clock in the morning before we got to the River. I was very sleepy. Had to stand guard."

"Thur 6—Started at 2 o'clock in the A.M. Road 25 miles. Stopped and got dinner. Started and Road 20 miles and came to White's Ranch about 10 o'clock P.M."

"Sat 8 — Crossed the Rio Grande River. Passed through El Paso and camped. Rained very hard."

"Sun 9—Some of the boys went to town and got drunk."

"Fri 14—Started before daylight. Traveled 50 miles and camped at a Salt Lake."

"Sat 15 — Drove 40 miles and camped at the old Sacramento Batleground. Grass very short."

"Sun 16—Very warm. Drove into Chihuahua about 12 o'clock. Here we had fine fruit."

"Tues 18—hot hot hot, etc. Two mules stolen."

"Sat 22—Crossed a Small River and Passed through a Small Ranch where they had the colley."

"Sun 23—Drove about 40 miles. Some of the boys killed a cow and had to pay six dollars for it."

"Sun 30—Went into San Pabalo and hired a guide. Swapped horses. Got some provisions, etc."

"Monday The 1st day of Oct. Road about 30 miles over the highest mountains that I Ever Saw. Here we had fine water."

"Tues 2—Walked about 25 miles over the mountains. Our Provisions give out."

Over The Mountains To Pacific Watershed

"Wed 3 — Crossed Green River. Very tired and Hungry. Here we came on the waters of the Pacific."

"Thu 4—Got to a Small Ranch of Parbalo Indians. Here we bought a goat and some green Corn. Left here about 3 o'clock and traveled on until after dark. Had no grass for our horses."

"Fri 5—Got into Guadalupe Y Calvo. Rained very hard in the Evening. Here we found Some Irish and English. They treated us very Hospitable."

"Sun 7—Cool and cloudy. Started for Quollcan over the mountains."
